

4TH GRADE NEWSLETTER

June 1- June 5

What's ahead...

Reading

Students will have a final report about our novel study due Monday, June 1st. We will discuss the conclusion of our novel study and examine more figurative language. Our cumulative Language Arts Test will be on Friday, June 5.

Mathematics

We will continue learning about geometric figures. We'll discuss line segments, lines, rays, and angles. Our final quiz will be on Friday, June 5th.

Science/ Social Studies

We will conclude our Midwest unit, specifically talking about Chicago history. We'll learn more about our city and have our final test Thursday, June 4. This test will mostly be about The Great Chicago Fire.

Spelling words

No spelling words this final week! We'll focus on our Language Arts Final!
