Trudged	• Tattered
Chuckled	• injure

Due to the change of curriculum I will now be combining Vocabulary and spelling words. For the bonus words, students will be given a passage and would be asked to use context clues to define the term during the vocabulary quiz. As for the spelling quiz, they will be required to know how to spell all the words listed above.

Resources

Every child may require more time to understand a lesson and may also need extra help, and that is completely ok. I am working on finalizing a day where I will be offering my students extra tutoring after school. Once finalized I will share all the details on class dojo. In addition, starting next week I will send a video on class dojo explaining the lesson of the week so students can receive extra help once they are at home. I am here to help my amazing, smart, and hardworking students do not ever hesitate to ask me questions. Lastly, students will also receive their I-Ready cards next week and they will be required to practice minimum 30 minutes every day.
