## NOTE FROM THE TEACHER

Assalamu Alaikom parents!

Our math quiz that was scheduled for April 24 will be moved to Tuesday April 28 inshAllah. We will have another math quiz on May 1<sup>st</sup> on double digit and single digit addition. On Tuesday we will not have an addition/subtraction quiz. We will also not have a reading fluency test next week as well.

The class is super excited to go to the Shedd Aquarium on Monday! Please pack for them a lunch and water bottle that can be easily disposable when they're done eating.

The students are also excited for Culture Day! Please send me upbeat school appropriate songs for your child to dance to for the event. I appreciate all the songs that I have received thus far! If needed, I will use a song that was not recommended to keep the beat of the songs that were already sent and used for our remix. I look forward to seeing what we create with your help.
