

Welcome Letter

Dear Parents and Guardians,

I am delighted to welcome you to a new academic year at ICCI Academy. With over 30 years of teaching experience, including 10 wonderful years here at ICCI, I have been blessed to guide our youngest learners in Arabic, Quran, and Islamic Studies, as well as provide foundational Arabic instruction to beginners. My goal this year is to cultivate a nurturing and engaging classroom where your child feels supported, valued, and inspired to learn.

I look forward to partnering with you to ensure a joyful and successful learning journey for your child.
