## WHAT WE'RE LEARNING

**1/5-1/9**

### Reading

This week we learned about the digraphs sh, ch, wh, and th. We also learned about possessive nouns.

### Math

This week we reviewed solving word problems.

### Social Studies

This week we started our unit on America. We focused on The White House and learned about some founders of America.

### Science

This week we also started our unit on the solar system. We started by focusing on The Sun and learning the difference between day and night.

## NOTE FROM THE TEACHER

Assalamu Alaikom parents!

Please send a change of clothes for your child in case of any accidents or other emergencies. These change of clothes must be in uniform. Please send a shirt, pants, underwear, and socks by Monday January 12<sup>th</sup>.

As I requested from you all to vote for if you'd like to add spelling bee words to the weekly spelling lists, the majority of parents have voted for yes, add more words. This will definitely be a challenge for all students, but this will benefit them for the competition and for the rest of their academic careers.

I believe in our students that they will succeed even when challenged! They are more resilient than they make us see.
