Teacher's Note

Hello Families! We've had an exciting month of learning and fun in KG! Here's a quick update on what we've been up to and what's coming next.

What We're Learning

- Math: We're working on counting numbers 0-20 and focus on number 4 numbers, color pink, shape square and review 0-4
- Reading: We started review the letters sound A-Z and focused on letter S. We will start managing the motor-skills of our student to write their assigned letter and review A,T,M.
- Science: Knowing about Parts of a plant.
- Social studies: We've been talking about countries.

Reminders

- Don't forget to check your child's homework folder for updates.
- Please send a healthy snake with juice. and make sure its healthy no brownies please.

Thank you
for your
continued
support!
[Ms. Hanaa]

Classroom Highlights

Student will be tested in writing their A, T, M and their sounds. sight words practice: and, in, at

Arabic HW:

The children will learn the Arabic letter Kaf. They will recognize the letter, pronounce its sound correctly, and identify and read it within a short paragraph.
