WHAT WE'RE LEARNING

2/16-2/19

Reading

This week we learned about the beginning blends br, gr, sw, and sn. We learned sight words great, could, would, and said. We also reviewed present and past verbs.

Math

This week we prepared and took our unit 3 test. However, we will do a more intense review next week and retake the same test next Friday, February 27th.

Social Studies

This week we learned about Althea Gibson and Michael Jordan for our Black History Month Lessons.

Science

We will be pausing our science curriculum in order to finish our Black History month lessons to get students ready to complete a project at home. Details about the project will be sent home soon.

10. stick
11. skip
12. smack
13. spill
14. spot
15. speck

Bonus Words:

1. cold
2. light
3. live

NOTE FROM THE TEACHER

Assalamu Alaikom parents!

As Quarter 3 is coming to an end, please check iGrade for any missing work. Grades will be updated over the weekend to ensure you're looking at the accurate grade, I will input the grade your child got on the math test on Thursday, but it will not count towards their grade. It's only for you to see how well they did the first time. I will not send the test paper home, only the one that students will complete on Friday, February 27th.

If anything changes during Ramadan where your child wants to/does not want to fast, please let me know! I will listen to what the student says, but this is also a trust between me, you and Allah SWT. For students that decide to fast the whole day, have them bring a small pillow to put their head down as their peers are eating their lunch in a different classroom.

Please take a minute this weekend to clean out your child's folder. We are working on our organizing our papers into our folders at the end of the day and it is hard for them when they still have all their graded work still in their folder.
