WEEK OF OCTOBER 5, 2026

MRS. REYAM (ROOM 102)

NOTE TO PARENTS / GUARDIANS

Assalamu Alaikum! 🌸

We have another exciting week ahead as we continue building our skills and learning new concepts together, inshaAllah!

As we move further into the school year, our students are becoming more independent in the classroom and are continuing to strengthen their reading, writing, math, and thinking skills. Thank you for your continued support at home—it makes such a difference in your child's learning!

Our Guided Reading Bags will come home this Monday. Students will have 3-4 books chosen to match their current reading level. Please encourage your child to read for about 20 minutes each evening, fill out the activity for anyone of their books, and have a parent/guardian sign the reading log. Reading bags should be returned to school every Friday.

Please remind your child to treat the books carefully. Books should be kept away from food and drinks and should not be written or drawn in. We appreciate your help in making sure all books are returned in good condition so that everyone can enjoy them throughout the year. 💛

REMINDERS

- As the weather is getting cooler, please send a sweater or jacket with your child. Please label your child's belongings with their name whenever possible.
- Please check your child's Green Home Folder every night. Be sure to check both sides.
- School lunch is served Monday-Thursday. Please remember that students do not have access to a microwave, so lunches should not require heating.
- If you need to speak with me about your child, please do not approach me during morning arrival or dismissal. You are more than welcome to schedule a meeting during my prep hours or send me a message through ClassDojo. This allows me to give your concerns the time and attention they deserve.
