4TH GRADE NEWSLETTER

NOVEMBER 9-13

4TH GRADE MATH

We will begin delving deeper into multiplication and number exploration this week. We will discuss multiples, factors, factor pairs, prime numbers, and composite numbers. At the end of the lesson, we'll have an in class project in which students choose a number and identify all its characteristics visually on a poster board. **We will have our quiz on Friday, November 13.**

5TH GRADE MATH

In this lesson 5th grade will continue learning about decimals, specifically how to read and write decimals. We'll write decimals in standard form, word form, place-value chart form, decimal expanded form, fraction expanded form, and as a mixed number. **Our quiz will be on Friday, November 13.**

4TH GRADE READING & LANGUAGE ARTS
