WHAT WE'RE LEARNING

Reading

Students learned the short i sound and plural nouns. Students learned sight words, but, her, of, and not.

Math

Students learned how to add and subtract within 10.

Science

Students were introduced to different plant structures.

Social Studies

Students learned about being a good sport. They also learned about rights and responsibilities.

NOTE FROM THE TEACHER:

Assalamu Alaikom!

Just as a reminder, if a paper has been sent home that has been stamped with "parent signature" please sign it and return it back to school! I do this as a way so that you are aware of their grades and any work that brings their grade down. We do solve some problems together, so some students miss it and lose points that way.
