

4TH GRADE NEWSLETTER

What's ahead...

Reading

This week in reading we'll be relearning about building traditions. We'll connect our previous lessons and build concepts based on what we've covered thus far including perspective, comparing and contrasting, and elements of a play. Our unit 5 test will be on Friday, April 24.

Mathematics

We will continue to develop adding and subtracting fractions this week however it will be at a more complex level. Students will see larger numberators and expand on the mean of fractions. Our quiz will be Friday, April 24.

Science/ Social Studies

Fourth grade has swiftd to Social Studies this month. We'll dig deep into our understanding of regions with a focus on the Northeast region. As we learn, students will practice memorizing all 50 states. Our oral exam on the 50 states will be on May 15. Therefore, students should gradually begin practicing.

April 20-24
