

4TH GRADE NEWSLETTER

What's ahead...

Reading & Language Arts

Fourth grade just completed their personal narratives! They did amazing! I'll be sending them home next week.

We'll now circle back to our reading texts. We will explore more drama and read a play entitled *Invasion from Mars*.

Mathematics

In mathematics, fourth graders will begin learning about multiplication and division through word problems. We'll explore different strategies to help students develop the equations and solve the word problems.

Science/ Social Studies

Fourth grade will continue science next week with lesson two of our chapter. We'll learn about heat and the different types of waves including radio waves, microwaves, and xrays.

October 27 – October 31
