WHAT WE'RE LEARNING

2/23-2/27

Reading

This week we learned about the beginning blends scr, spr, spl, and scrap. We learned sight words all, their, through, and small. Students were introduced to contractions in grammar.

Math

This week we reviewed unit 3 material to get students ready for their retake. On Monday, we will start our new unit and lesson, which will be more number based than word problems.

Social Studies

This week we continued to learn about Michael Jordan, Oprah Winfrey, and Dr. Mai Jemison.

Science

We will be pausing our science curriculum in order to finish our Black History month lessons to get students ready to complete a project at home. Details about the project will be sent before spring break and due a week after break.

NOTE FROM THE TEACHER

Assalamu Alaikom parents!

We will have a reading fluency test on March 12th on the sounds, sight words, and grammar we've been working on for the past few weeks. Remember: students will not get the actual reading test sent home to practice, but instead are encouraged to read their decodable books that were sent home to help.

Students will be tested on these sounds and sight words:

- sounds: cr-, fr-, dr-, tr- sight words: into, more, one, your
- sounds: br-, gr-, sn-, sw- sight words: could, great, would, said
- sounds: scr-, spl-, str-, spr- sight words: all, small, their, through
- sounds: -sk, -st, -mp, -nd, -nt sight words: any, many, most, want (learning this: 3/1-3/6)
- sounds: long a_e sight words: other, people, write, too (learning this: 3/9-3/13)

Please parents, you should not be writing the students homework for them. I'd rather you turn in homework late and they wrote it than on time and you wrote it for them. This is only for their benefit in the future.
