English

- This week we reviewed and learned more about types of speech; we focused on verbs (action, helping, and linking), adverbs, and adjectives.
- We highlighted on the differences between adverbs and adjectives (adverbs describe action verbs and adjectives describe nouns or pronouns).
- We used the acronym MINTS to learn more about capitalization and to remember what needs to be capitalized.
- We reviewed and learned more the different types of punctuation, we focused on using commas.
- We discussed the steps in writing paragraphs.
