

HIGH-IQ TECHNOLOGY STAFFING & CONSULTING, LLC

"Top Talent For Your Needs"

Providing Human Capital Solutions

High-IQ Technology Staffing & Consulting, LLC offers comprehensive staffing and consulting solutions across all industry verticals. Our core strength lies in our ability to talent map and efficiently scale technology and engineering teams—from initial proof of concept to full-scale deployment—within both highly matrixed enterprise organizations and agile start-up environments.

Who We Are

We specialize in partnering with executive leaders to build cohesive, high-performing teams that consistently achieve measurable outcomes. Whether the need is for individual contributors or executive-level talent, we deliver top-tier professionals who drive innovation, collaboration, and results.

Our service includes a comprehensive consult to help identify gaps and opportunities to ensure we recruit the right talent to meet your team goals.

Why Choose Us

Deep Industry Experience

Backed by a founder and team of industry experts with more than 140 years of combined experience, we bring deep insight and proven strategies to ensure the right talent is in place.

Consulting Expertise

Our mission approach is quality results, speed of service, efficient talent fulfillment, scaling and retention and sustainability.

Rapid Value Creation

Effective talent scaling requires sustainable staffing models to ensure people strategy meets business goals and objectives.
