Vote on Liquor License Application for Augie’s Cathedral Heights Restaurant, 3228 Wisconsin

Augie’s is opening a new restaurant in Cathedral Heights, at the site of Talea and before that Café Deluxe, joining successful Augie’s restaurants in Arlington and Annapolis. Augie’s Cathedral Heights is applying for a Retailer Class C liquor license (ABRA-135310), including a request for endorsements for a sidewalk café and live entertainment. At its March public meeting, the ANC heard a presentation by the applicant about plans for the restaurant, invited public comments, and also voted to support a stipulated license to allow Augie’s to open with full planned beverage menu, hours, and other services. The ANC will review public comments and vote on an official position on the application at this meeting. Protests are due to the ABC Board at abclegal@dc.gov by April 27.

Resolution RE proposal to change pick-up/drop-off zones on 37th Street for Sidwell and Hearst

The DC Department of Transportation (DDOT) issued a Notice of Intent (DDOT NOI 26-106-PSD) to adjust the location and signage for pick-up and drop-off (PUDO) zones on both sides of the 3900 block of 37th Street between Quebec Street and Tilden Street, serving Sidwell Friends and Hearst Elementary School. See: <https://dcgis.maps.arcgis.com/apps/dashboards/a4068f7279d8458eb6f0fcca51e1bbcc> for details, diagrams, and options for submitting comments. Comments are due to DDOT on May 13. The ANC will invite comments and consider a resolution on the proposed changes.

OPC presentation on current utility issues including electric and gas rates and other PSC cases

The DC Office of the People’s Counsel (OPC), the people’s advocate on public utility issues, has made a number of recommendations to the DC Public Service Commission (PSC) related to Washington Gas and Pepco rates and services, which have been rejected or not fully adopted by the PSC. Some of the PSC decisions have been successfully appealed. OPC will speak about current cases and OPC efforts to protect consumers from unjustified and unreasonable rates for District gas and electric customers.

Resolution to oppose reappointment of PSC Commissioners Emile Thompson and Ted Trabue

At previous meetings, the ANC has discussed disappointing 2-1 votes by the current DC Public Service Commission (PSC) in key cases affecting Pepco and Washington Gas rates. Current PSC Commissioners Thompson and Trabue have been the majority in those cases. At the DC Council Performance Oversight Hearings about the PSC, many public witnesses recommended that the Council not reappoint the two Commissioners for another term after their current terms expire on June 30. The ANC will consider a resolution to the Council opposing reappointment of Commissioners Thompson and Trabue.

- Plan for discussion of “gentle density” at the ANC 3A public meeting on May 12. “Gentle density” is a proposed change zoning in all R zones to allow 2, 3, 4, or up to 6 units in a residential structure as a “matter of right” within the setbacks, height and lot occupancy in existing zoning where only single family residences are allowed today as a “matter of right” without public review or ANC comment (zone codes R-1-A, R-1-B, R-2 and R-3). The ANC is inviting several speakers to discuss their perspectives and respond to questions, in order to provide the community and the ANC information and gather comments.

As part of its development of a new Comprehensive Plan for the District (“DC 2050”), OP has released a draft Future Land Use Map to guide the use, density, and height of what can be built in each area of the city, as well as things like connectivity and public spaces. As the next step in the DC 2050 process, OP plans to develop policy language to pair with the map. OP is seeking feedback on the proposed land use changes in the FLUM. To see the map and submit comments, community members are invited to go to OP’s virtual workshop, open through April 30. See: <https://dc2050.dc.gov/pages/get-involved>

Comments will inform the development of the FY 2027- FY 2031 Consolidated Plan & Neighborhood Revitalization Strategy Area and the FY 2027 Annual Action Plan (AAP), Housing Trust Fund Allocation Plan, and Substantial Amendment to the Recovery Housing Plan. Written statements may be submitted through Friday, April 24. Email to opm.questions@dc.gov or mail to Colleen Green, Director, DCHD, 1909 Martin Luther King, Jr., Ave. SE, Washington, DC 20020.
