

# Government of the District of Columbia

## Department of Transportation

**November 13, 2024**

**Dear Residents/ANCs/Businesses,**

The District Department of Transportation (DDOT) is scheduled to begin sidewalk work on **Wisconsin Avenue NW from Edmunds Street NW to Fulton Street NW** on or about **Wednesday, November 20, 2024**, weather permitting. The sidewalk project is anticipated to be completed by Friday, December 20, 2024. Parking lane closures are expected where work is occurring.

The contractor is authorized to work Monday through Friday, (daytime) from 9:30 a.m. to 3:30 p.m. The contractor may work Saturdays (daytime) with prior DDOT approval.

Adjacent curbside parking may be restricted during the repair work. If so, ENP signs will be posted at least 72 hours in advance at locations where parking will be restricted.

The emergency “NO PARKING” signs will provide details of the hours of construction operations, dates, duration of the work, and information on the engineer in charge.

Traffic control devices will be in place to warn pedestrians, cyclists, and drivers approaching the work zone(s). Drivers are advised to stay alert while traveling near the work locations, be prepared for possible detours, and be observant of the work zone. Cyclists should be prepared to adjust their routes accordingly. Metro buses will continue their routes. Flaggers will be available to manage traffic, and arrow boards will be utilized, as necessary.

Thank you for your patience and understanding during the repair work. If you have any questions or concerns, you can reach the Project Engineer at the contact information below.

Sincerely,

**Victor Nwabueze**  
Project Engineer
