Ward 3 Councilmember Frumin's Office

American University

Friendship Place

Vote on Request for Grant from ANC 3A to support Friends of Hearst Park project to preserve the health of heritage trees around Hearst Field The heritage oaks that line the lower field and the walkway at Hearst Park have been suffering from drainage issues and other challenges. At the ANC 3A October public meeting, 501(c)3 organization Friends of Hearst Park presented a request for a grant of \$5,000 to support "vertical mulching" (aerating and replenishing the soil around the base of the trees) to maximize their chances to survive. The work would occur in late 2025. DC law allows ANCs to give grants to public purpose organizations to pay costs for a proposed project that would benefit the community, focusing on people who live and work in the ANC 3A area. The Commission will discuss the request and vote on approving a grant.

Discussion on proposed zoning text amendment ZC 25-13 to implement the Wisconsin Avenue Development Guidelines covering the corridor from Friendship Heights to Rodman Street NW

The development guidelines were formulated by the DC Office of Planning (OP) in 2023-2024 after speaking to the affected ANCs and seeking public comments. OP presented its proposed zoning changes at the October ANC 3A meeting, and has also developed draft zoning language to carry forward the guidelines, which will be considered by the Zoning Commission at a virtual hearing on December 11. The Zoning Commission is seeking comments and plans to hold two votes on the proposed language after the hearing, with time for public comment before the hearing and at least 30 days for public comment between the first and second vote. The ANC invites public comments and may consider a vote on a position to submit to the Zoning Commission.

Presentation by Joseph Ogundeyi on ATME free mobile/web platform designed to enhance drivers' communication and convenience by allowing them to share updates with others using the app

This presentation was postponed from the October meeting. ATME www.atmeapps.com would facilitate sharing information about break-ins, thefts or other incidents anonymously using license plate numbers. The app is intended to promote community engagement and neighborhood safety, encourage better driving practices, and facilitate communication among neighbors about concerns related to transportation, parking and other shared interests.

Commissioner Updates

- Follow-up on Zoning Commission hearings and requests for comment on proposed text amendments
- Proposed legislation B26-0465 to change the method of filling ANC vacancies and have the sitting Commissioners make the choice in the event that more than one candidate registers to run. DC Council hearing December 5, record open for comments through December 19.

- DC Department of Public Works Plans for Fall Leaf Collection beginning mid-November

All eligible households in ANC 3A are in DPW's Leaf Collection Zone 3C. For directions on putting out leaves and updated information on your expected pick-up date, see: <https://dpw.dc.gov/leaf>

- District Hypothermia Shelters during Cold Alerts

This winter season the District has organized hypothermia shelters to serve people who are unhoused when the temperature is expected to be 32° F., or 40° F. or below with a 50% or greater chance of precipitation. Please call the Shelter Hotline 202-399-7093 or 311 to report unhoused individuals so the outreach team can arrange transportation for them to get to a shelter. The nearest men's hypothermia shelter is at 1725 Lincoln Road NE in Ward 5 (130 beds, 24 hours). The nearest women's hypothermia shelters are at 6010 Georgia Avenue in Ward 4 (30 beds, 7 pm-7 am) and at N Street Village, 810 5th Street NW in Ward 2 (134 beds, 24 hours). For more information, see: COLD.DC.GOV

- DC Department of Transportation (DDOT) Ward 3 Workshop for developing a Strategic Bikeways Plan on Wednesday, December 10, 6 - 8 pm, at University of District of Columbia, 4000 Connecticut Avenue. DDOT will be presenting results from its evaluation of existing conditions and inviting community members and stakeholders to share feedback on the project team's work to date, bicycle transportation needs, safety concerns, key gaps in the bicycle network, potential project ideas, and other local considerations. For more information, see <https://bikelanes.ddot.dc.gov/pages/strategicbikeplan> Register for the event at: StrategicBikeways-Ward3.eventbrite.com

Community Announcements

Meeting participants are invited to share information about events, programs or services affecting the community (no more than 2 minutes per speaker or item).

Open Forum

Community members can share comments on issues including items not on the agenda.
