

Government of the District of Columbia

Department of Transportation

5-1-24

Dear Resident:

The District Department of Transportation (DDOT) will be conducting work in your neighborhood soon. The work will include safety spot repairs to the sidewalks, curbs, gutters, and/or wheelchair ramps at **Idaho Ave NW from Porter St NW to Quebec St NW**. The work is set to begin on or around **Wednesday, May 8, 2024**, weather permitting.

It is estimated that this work will take approximately 14 days to complete. Construction is scheduled to take place Monday through Saturday between the hours of 7:00 AM and 6:00 PM.

Curbside parking will be prohibited in the work zone. “Emergency No Parking” signs will be posted at least 72 hours before work is set to begin. The signs will provide details on dates, operating hours, and contact information. Access to residences and businesses will be maintained throughout construction.

DDOT will provide weekly watering for one month for any new grass planted. After one month the resident will be responsible to water and maintain the grass.

Thank you for your patience and understanding during the repair work. Should you have any questions or concerns, my contact information is listed below.

Respectfully,

Mohamed A. Mirghani
Civil Engineer – Project Manager
Transportation Operations Administration
District Department of Transportation
