

GOVERNMENT OF THE DISTRICT OF COLUMBIA

ADVISORY NEIGHBORHOOD COMMISSION 3A

June 20, 2023

Ms. Sharon Kershbaum
Deputy Director
DC Department of Transportation
250 M Street SE
Washington, DC

Dear Ms. Kershbaum:

We appreciate DDOT's responsiveness to residents' comments about the scooter corral recently installed near the intersection of Fulton Street and Wisconsin Avenue NW. The Commission supports DDOT's removal of the scooter corral from the current location, while the agency prepares a formal Notice of Intent (NOI) and public comment period on a proposed location of a scooter corral in a different space nearby but farther from the intersection, where it would not create the same problems.

Residents have been concerned that the current location of the scooter corral narrows the already limited roadway space at the entrance to westbound Fulton Street from Wisconsin Avenue, and as a result increases safety risks for motorists, pedestrians, bicyclists and others at that intersection.

DDOT has suggested issuing an NOI proposing to remove an RRP parking space on the south side of Fulton Street, just west of the current scooter corral, to install a new scooter corral in that space. The Commission looks forward to participating in that process and encourages neighbors to participate in the public review and comment period.

Active transportation and micromobility are important, but safety is the #1 priority for DDOT.

The Commission hopes to continue working with DDOT to achieve the relocation of the scooter corral and help meet the District's commitments to both mobility and safety.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thaddeus Bradley-Lewis'.
