#### **Presentation on proposed addition at 3822 Van Ness Street NW (BZA Case 21286) in ANC3A03**

Sarah Harkcom of law firm Sullivan & Barros represents the applicants on their application for a zoning Special Exception and Expedited Review of the proposal to construct a rear addition and side addition that will reduce the rear yard to just over 13 feet between the detached garage and the principal dwelling (including the proposed addition), which is less than the 20-foot rear yard required under the zoning regulations for the R-2 Zone. The ANC plans to consider a vote on the case at its April public meeting, to be able to submit a position in time for the BZA public meeting on the application on April 23. (The BZA will not have a hearing unless a request for a hearing or opposition to the project is filed by April 9 to: [bzasubmissions@dc.gov](mailto:bzasubmissions@dc.gov))

As part of the District’s policy to provide universal free pre-kindergarten education, the District’s Pre-K Enhancement and Expansion program (PKEEP) adopted in 2008 is designed to ensure households can obtain quality pre-kindergarten for children through age 5, through community-based providers where DC Public Schools do not offer pre-K 3 or 4 education. Councilmember Matt Frumin and ANCs and families throughout Ward 3 have been strong supporters of PKEEP and are working to maintain it in FY2026.
