Dear Meadows at World Golf Village Residents,

Our community's entrance holiday display is an important first impression, and while this year's effort demonstrates good intentions, we have an opportunity to elevate our approach.

We're seeking community-minded residents to help transform our holiday lighting from a last-minute effort to a thoughtful, coordinated celebration of our neighborhood's spirit.

The **Community Holiday Light Display Initiative** aims to:

- Create a more professional, cohesive entrance display
- Develop a strategic planning process for future holiday decorations
- Leverage our existing equipment more effectively
- Involve residents in a collaborative, creative community project

This year's display shows we have the foundation and desire to do something special. Now, we need your expertise, creativity, and enthusiasm to take our holiday presentation to the next level.

We're looking for volunteers who can contribute:

- Design insights
- Technical lighting knowledge
- Project management skills
- Creative problem-solving
- Willingness to plan ahead and collaborate

If you're interested in helping shape our community's holiday image, please contact the HOA Board at [hoaboard@themeadowswgv.com](mailto:hoaboard@themeadowswgv.com) by January 15, 2025, to join the Holiday Lights Committee or share your ideas.

Together, we can create a holiday display that makes The Meadows at World Golf Village proud.

Sincerely,

Mike Krugman, President
