The official start of spring is just a few weeks away, which will certainly come as a relief to those parts of the country that have experienced a particularly rough winter. Spring brings warmer temperatures, more hours of daylight, and spring cleaning.

Spring cleaning is an opportunity to clean up our community and add curb appeal.

While the association works on sprucing up common areas, owners and residents can do their part by cleaning and organizing their own residences.

## Community Yard Sale – Spring 2023

Take the opportunity to clean up your garage, storage room, or closets -- plus make a little money -- and join in with the neighborhood with a yard sale.

**Date:** Saturday, April 23

**Time:** 8:00am - 1:00pm

The association has begun the process of sprucing up our entrance areas. The work, which encompasses many deferred maintenance tasks, will continue over the summer and into the fall.

Some changes will be noticeable while others are out of sight, like the repairs to our irrigation system.

Updates on our progress are shared at the beginning of Board of Directors meetings and reported in the meetings minutes available on our web site (<https://themeadowswgvl.com/meeting-minutes>).

Your comments, and questions are always welcome.
