

TACTICAL RIFLE OPERATOR

SUBJECT:	TACTICAL RIFLE 2-Day Course
DATES:	
LOCATION:	TBD, Colorado
INSTRUCTOR:	Rick Basagoitia

Rick has 21 years of law enforcement experience in Colorado, with 14 years training officers in his agency in firearms and reality-based training. He has numerous instructor certifications, including CSAT Tactical Pistol, Tactical Rifle, and Shoot House Instructor Certifications along with six years experience incorporating CSAT training methodologies into his agency's training framework. For more about CSAT please, visit: www.combatshootingandtactics.com

Course Description:

This class focuses on the tactical employment of the tactical/patrol rifle. It will include an objective evaluation of the current capability level of the individual and the group, detailed breakdowns of each skill and performance of perfect repetitions with coaching and feedback. Technical and base tactical skills should be the responsibility of the individual. This course builds a solid foundation for the individual to sharpen their skills so that they can be an asset to their team. The class will focus on the following:

- Safety
- Stair-stepped shooting techniques that cover all the basic skills needed for surgical shooting.
- Threat Discrimination
- Weapon Zero, Standard and Non-standard Shooting Positions, Proper positions for distance
- Use of Cover and Movement Tactics
- Students will achieve training goals through time and accuracy standards
- Individual shooting plans will be developed and used
- Shooting “work out” plans for future individual development

EQUIPMENT NEEDED:

Tactical gear or Patrol rig to include rifle, 3 magazines and pouches, pistol, holster, magazines, eye and ear protection. Bring water and inclement weather gear. Also, bring weapon cleaning equipment. 600 RIFLE AND 200 PISTOL ROUNDS. The instructor will provide handouts electronically.

START INFORMATION:

Class will begin at 8:00 AM at the Host Range.
