\$9,000 DUE 1-1-24

### INDOOR SIGNAGE

BELLEVILLE BOE IS REPOSINSIBLE

FOR ALL EXISTING AND NEW

DISPLAYS AND INSTALLATIONS

**GOAL:** To unify your entire campus with professionally implemented digital signage messaging and emergency alerts using existing displays that are not being used to their full potential. Also adding displays to key spaces in the school where messaging would be effective.

**PROCESS:** Visit each school and assess the state of current displays that are or not being used at this time. Photograph and number all displays in the event we have to push specific content to those displays. Install media players on site (30 minutes for each school)

**FUNCTIONALITY:** The displays can be set to turn on automatically or by the janitorial staff upon opening and closing. Each school can email us with any new content that needs to be posted. The office of the superintendent can also forward ALL important dates, updates, emergency messages, or anything else that your staff and students may need to know. We can **unite every school** with a single message and maximize district fundraisers, honor student/staff of the month, and even show the highlights from the latest athletic event or school play. We can guarantee your district will excel in all avenues with this system.

Increase Campus Awareness by 10x  
Add safety messaging into all buildings
