

Sharon Downtown District

The Latest News

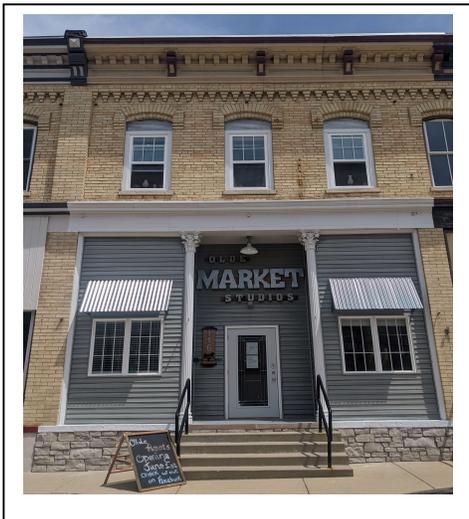

The Downtown District of Sharon, WI is taking a big breath as businesses establish themselves in a small community. With the guidance of the Village of Sharon, the Sharon Chamber of Commerce, volunteers and local organizations, positive representation and improvements to the local parks and the downtown area has been of focus. Future building murals, Music in Veteran's Park, and Downtown events are just a start to the positive impact that they hope to bring to Sharon, Wi. There has been new attraction throughout the district and with the continued support of the small and the local shops and businesses the buildings and Downtown will continue to show improvement.

“Community shows support for businesses in Sharon.”

-Olde Market Studios

As the community waits to see its progression. To approach the 116 Plain St. project, as outsiders Jared and Jessica Bauman wanted to allow the time to get a feel for the community and district. Featuring new influence to such a vintage canvas is one of the bigger challenges facing any historical downtown community. The purpose of OLDE MARKET STUDIOS is to provide a place of positive impact for the community of Sharon, Wi. With its historic fireworks and the events that pull the community together for a few short hours, and to mention its beautiful historic houses and staple locations that serve the community, Sharon has the touch anybody would want to call home. This is what brought Jared and Jessica to Sharon. Inside OLDE MARKET STUDIOS tells a creative story. A new modern rustic mix that influences the building and the area's natural features. It also has open space for studios or storefronts, two spaces of which are occupied by Jared and Jessica. With the right mix the hope is that the local communities can embrace another staple, and inspire those who share the experience.

Sharon Chamber of Commerce Scholarship

Sharon Chamber Presents

This year's Scholarship was granted to one of Sharon, WI 2023 graduates. It was awarded for their community presence and hard work during a time when it was needed. It is the young adults who take on responsibility to better the situation for everyone, who can inspire those around them. Thank you, Chris, for your dedication.

The scoop of the year!

Love your pets. It is our job to keep the community clean and safe for another day. Please help keep the public areas and streets clean!

Welcome to Sharon Wisconsin. We would like to thank the Village of Sharon Police Dept. for helping make our Village a safe and respectful place.
