

Sharon Downtown District

The Latest News

Another Summer in the downtown Sharon district has proved to be another growing season. This year's anticipation not only gives us hope in Sharon but also brings the community closer to regeneration. As a resident, a question you might be wondering is why does any of this matter? As villages and towns start to develop, things like housing grants and business grants present themselves. Property taxes become less reliant on residents as industry and commercial properties are developed. This will generate new revenue for the Village which allows for infrastructure to be updated and implemented. New growth ensures the community and infrastructure will continue to exist for generations, and not just a slow downward spiral. The Chamber of Commerce is an organization that is focused on taking Sharon in a positive direction. By taking the time and making the right connections the investments and efforts going into Sharon and its community will surely provide a positive outlook on its future. It's the support of the residents that makes the difference!

Thank you for your dedication to Sharon, WI.

-Anonymously Everyone

Attention:

The Sharon food pantry is no longer available. If you are interested in a food pantry in Sharon, WI please make connections with the right organization. Thank you for the time dedicated to our community.

Sharon's History of Paws.

Sharon, WI was the destination for the tabby cat named Freddy. Once he decided to make his home here in the Village of Sharon it was destiny. His daily stroll through downtown and peddling his favorite spots for a friendly visit started to earn him the attention of a village neighbor. He would greet those who frequented the village hall to take care of their errands, eventually, earning himself the title of "The Mayor." A familiar face to those who came into the Village for a visit. Stories like this one come and go as do the seasons in Sharon but the most important reminder we all share is that we all have an opportunity to show respect, care, and thought in the things that make each day a little easier for everyone and everything. Remember to register your pets and keep them up on their visits to the veterinary clinic. If you have a short story you would like to feature, drop an email to the Sharon Chamber of Commerce.

Support us in acknowledging our local code and building inspectors for keeping our neighborhoods presentable and our projects moving in the right direction. Keep the beautification of our community on track!

“You’re doing Great!”

Sharon Chamber of Commerce Roun'da Manure Bicycle tour.

The Roun'da Manure bicycle tour has been pushing its wheels since 1987 and brought to Sharon in 1992. It was revitalized adding new ice cream shops along the routes as the years progressed. This year's tour had 197 riders. With suggestions from the riders and the volunteers who have been dedicated over the years, learning the process was very informative. The event gives Sharon the opportunity to bring people and business together from multiple counties and surrounding areas. The Sharon Chamber of Commerce hosted the event with a new perspective. Organized discussions until the event kicked off helps organize routes, marketing, designing swag, and making connections with new and exciting people. If you are interested in helping keep this event rolling contact the Sharon Chamber of Commerce. Thank you for participating another year!

The time is now to show support for your Village!

Volunteer support is what lights the way to success!

The Sharon Chamber of Commerce aspires to elevate the community and give everyone the opportunity to volunteer their efforts, as well as ideas, to represent the community. Also, if you want to sponsor the Sharon Chamber of Commerce it makes things possible such as educational scholarship's, community projects and events, market the Village of Sharon, publish the Chamber Chat, and many other aspirations. If you have something specific you would like to contribute to, or have interest in, come to one of our monthly meetings or contact the Sharon Chamber of Commerce through email

Info@SharonChamberofCommerce.com.

Thank you for your support, you make Sharon, WI.
