Markvin Jus

My counsel refuse to
comply with ABA Rule 1.03
And ABA Rule 1.02

My counsel has ~~ref~~ ^{use} ~~used~~ me a defense under ABA Rule 1.02 /

My counsel refuse to communicate issue with me ABA Rule 1.03 it been 5 yrs.

I am of the concern my counsel don't meet guidelines for appointed counsel in Death Penalty cases 11.4.1 (c)

The biggest problems are timely pre-trial motions, some of the motions have been ruled on on the record and other in the judge's chamber's off the ~~record~~ record.

That makes the issue silent on the record and I can't complain about the issue if there's a appealable cause.

This is me requesting
The my pre-trial move forward my
witnesses be called before trial as
Duces-Tecum, This be the only way
my trial be fair, my counsel his
Refuse me the right to call pre-
trial witnesses. He keep's Asking the
D.A to make a list. That's odd
to me because he hisht once ASK me
About what defense I want to presue
And pick out from my discovery what
I want to use to rebuttle the D.A's
Case. This is inportent for "cross ex"
This should have been done from day
one, They've put it this way the Judge
Judge wont let them call witnesses.
