I request that this officer or officers  
be called in Pre-Trial. This is my right &  
part of due process

2.5

I am requesting that my pre-trial move forward and a call on my witnesses take place before trial as Duces-Team. This is the only Rate on which my trial will be Fair according to law. My Counsel Constantly refuses me the right (my right by law) to call pre-Trial witnesses He is relying on the DA to make Said list. He has not asked me in any way what kind of defense I wish to persue or what I would like to pick regarding my discovery. There are certain Key points that I would like to use to rebuttle the D.A's case. All of these things should have been completed From the very start.
