Below is a map of the office complex to assist in finding our new location. Our location is marked with the Red **X**

The office is located about a half a mile east of the 101 freeway. We are in the Northeast corner of the complex. You will make your first left after 92nd St. Come North into the complex until you reach the end at the “canoe” sculpture. Turn Right. Turn Left. You will see Affordable Home Care and Progilisys Solutions on building 9324. I am between these two businesses.
