Danielle Restivo and Melissa Schlosser are doing everything they can to protect you, our community, and each other. To this extent, we will be following the Center of Disease Control (CDC) and local health department guidelines with regard to social distancing practices and sanitation in order to reduce the spread of novel coronavirus or COVID-19. The following will outline the measures the Bridal Bar will be taking:

- Artists will be equipped with both masks and face shields.
- Temperature checks will be enforced before entering the building. This goes for the makeup artists as well.
- It is required for everyone to either wash or sanitize their hands upon arrival of appointment, after using the restroom, sneezing, or coughing.
- In accordance to social distancing guidelines, we are only allowing one artist and one client in the room, at a given time. No guests are welcomed at this time.
- A mask must be worn when entering and leaving the building. Client masks will not be worn during application.

- As always, all tools and equipment will be sanitized between clients.
- The Bridal Bar has updated their sanitization procedures certification protocols via Barbicide.
- It is not mandatory to wear gloves as long as you are following hand sanitization procedures.

By filling out and submitting the form below, you agree to comply with the written instructions above and agree that you participate in your makeup appointment at your own risk, releasing the Bridal Bar, Danielle Restivo, and/or Melissa Schlosser, from any liability relating to COVID-19 or any other allergic reactions that may occur.
