

## Volunteer Positions

<b>Position</b>	<b>Difficulty</b>	<b>Description</b>
Timer	Easy - Moderate	Uses stopwatch to time and then record swimmer's time for each event. You will be shown how to use the stopwatch, how to read/record the time and how to yell "BACKUP" in case of a watch failure or malfunction.
Backup Timer	Easy - Moderate	Duties are the same as Lane Timer. This person times every race. This time will be used in the event of a technical problem (e.g. forget to press start on stop watch) with one of the other lane Lane Timers.
Ribbon Writer	Easy	Works in computer room attaching printed labels to ribbons. Take a break when your child is swimming! Need to stay at meet until all Ribbons are completed.
Floater	Moderate	The floater position is a backup role designed to fill any one of the Easy to Moderate difficulty positions in the event of a cancellation on the day of a swim event. The floater position may or may not be needed but if needed, the individual will be expected to fulfill the full shift.
Time Sheet Runner	Easy	Collects time slips from the Lane Timers. Brings them to the computer room.
Water Runner	Easy	Distributes small cups of water to all volunteers at the meet.
Snack Bar Workers	Easy - Moderate	Servers - Organize, restock, assist with sales of snack bar items including hot food. Cash Register - Responsible for handling money, calculating orders and giving change. BBQ Cook - Hottest job around the pool! Must be clean and have some

		experience in cooking large volumes of hamburgers and hot dogs.
Stager	Moderate	Organizes swimmers so they are ready before their event. Swimmers report to the staging area when their event is announced. Stagers get the swimmers organized by lane into the proper order for their events and heats. The job is critical in making the swim meet run smoothly and on time.
Event Setup and Cleanup	Moderate	Setup/Cleanup the Event area: tables, chairs, EZ Ups, trash cans, pick up trash, etc. Helps the Meet Manager with setting up the PA and Starting Systems.
Computer Support / Data Entry	Moderate	Work in computer room organizing time slips and assisting the computer person inputting swim times. Take a break when your child is swimming!
Stroke and Turn Judge	Experienced	This position requires careful focus and knowledge of swim technique. To fulfill this role, you will need to attend one of two training classes that occur in the spring. The training class itself will count as one full volunteer shift. You will also be paid \$25 for each shift fulfilled during the season.
