Dear Ladies Annual Fall Invitational,

On behalf of everyone at First Tee — Southern Colorado, thank you for your continued generosity and commitment to supporting our Girls Golf program. Your partnership plays an important role in creating opportunities for young girls throughout Southern Colorado to learn, grow, and thrive through the game of golf.

The \$10,000 donation received from the 2025 LAFI Tournament allowed us to enhance our programming and expand access for participants who may not otherwise have had the opportunity to be involved. Your support helped us provide essential resources, memorable experiences, and financial assistance to girls across our communities. Highlights of your impact include:

- Awarded \$6,624 in scholarships, enabling 207 girls across El Paso and Pueblo counties to experience the benefits of our Girls Golf program and continue their journey in the game.
- Increased access to Girls Golf by adding a new Prep Camp, expanding one-week camp offerings, and providing more programming days in Pueblo, allowing more girls to participate and develop their skills.
- Provided sponsorship for two girls to represent First Tee — Southern Colorado at national participant opportunities hosted by First Tee Headquarters, expanding their access to learning, leadership, and personal growth experiences.

Your contribution helped us remove barriers to participation while creating a fun, welcoming environment where girls can develop confidence, build friendships, and strengthen life skills both on and off the golf course.

We are truly grateful for your support and belief in our mission. The successes we celebrate each year are made possible through partnerships like yours. Enclosed are a few photos from recent Girls Golf activities that showcase the positive impact your generosity continues to have on the lives of our participants.

Thank you again for being such a valued partner of First Tee — Southern Colorado. We look forward to continuing our work together and inspiring the next generation of Game Changers.

Sincerely,
