Connecting the Grinding Power of God

Whatever stands in your way is standing in the way of the stone. Our God is a bulldozer and when an enemy stands before a bulldozer, they will be bulldozed out of the way

Verse 44: ***“And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder.”*** He did not say “may” or “probably”, but “shall be broken” and “will grind him to powder.”

Let us read two verses from Matthew 21. Verses 42 and 44. Please follow these scriptures carefully.

Verse 42: ***“Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, The same is become the head of the corner: This is the Lord's doing, And it is marvellous in our eyes?”***

When you are a true child of God, you have surrendered your life to Jesus, and have surrendered all like the songwriter says, any power opposing you is running against an immovable stone. If they strike that stone, they will end up sustaining injuries. The stone, however, does not sustain an injury. If they sufficiently provoke the stone and it decides

to move against them, it will grind them to powder.

When you are confronting a true child of the King of Kings and Lord of Lords, you fall upon a stone, and whatever happens, the person will be broken, or will be broken and ground to powder. They will be ground like wheat under a millstone. This happens when you confront a true child of the King of Kings and Lord of Lords,

So, there are two possible outcomes. They either fall upon that stone or the stone falls upon them. Whichever happens, that person will be broken or ground to powder. The power that such a person will encounter when they confront a true child of God will reduce them to dust. They will be

When you are confronting a true child of the King of Kings and Lord of Lords, you fall upon a stone

ground so much to dust that they may be scattered in the wind. To engage the children of the Stone is to write a courier letter to irredeemable destruction. This is the stand of scripture.

The songwriter says, *"The Rock that never fails. I'm hiding in You. I'm hiding in You. In You, there is power."* Romans 9:33 says, ***"As it is written, Behold, I lay in Sion a stumbling stone and rock of offence: And whosoever believeth on him shall not be ashamed."*** If anyone falls on that Stone, he shall be broken to pieces. If the Stone now decides to move because He has been provoked enough, the person will be ground to powder.

The problematic question now is: who are the children of the Stone? Because it is those children of the Stone that you should not mess with. If you mess with them, they will crush you to powder.

In 1994, when the Mountain of Fire and Miracles Ministries started at its current

headquarters location, all the native doctors in the environment gathered themselves together and called my name for days, trying to attack me. It was one of them who later came to confess to us. The first day they tried and called my name, a stone appeared. They did not understand the stone. They spoke to the stone, but the stone did not budge. It just stood there. They closed for that day and went away.

They came back the second day and started again. They called my name. Again, the same stone, a big one, appeared. They addressed the stone with incantations, but the stone did not move. They closed for the day and went away.

But they did not want to give up. So, they came again on the third day. This time, there was an elder witch doctor among them. He said to them, "This person you called once, and you saw a stone. You called a second time, and you saw a stone. If you call the third time and that stone decides to move

against you, that will be the end of your journey on Earth." So, they held a meeting and concluded, "Leave this man alone," and they just vanished to their houses. They never tried again. If they had continued to try, they would have sufficiently provoked that stone eventually, and it would have moved against them.

Prayer Interlude

Any power calling your name for evil, or calling the name of any member of your family for evil, or seeking for your face on a crystal ball, or calling forth your name on an evil mirror, may the Stone that never fails move against them, in the name of Jesus.

[Think about the warfare projected into your dream life]

Warfare in my dreams, stone of fire, kill them now, in the name of Jesus.

You must have heard me share this in the past, but I need to share it again here. You will find this testimony in our small pamphlet

called "Power Must Change Hands." It is a small book we published years ago. This woman would get pregnant, and at some specific month, either the seventh or sixth month, she would have a dream. A wild cow would move towards her in the dream and use its horns to hit her stomach. The next day, the baby would be dead. And that was how it kept happening.

Then someone brought her to a prayer meeting where we were talking about "Power Must Change Hands." The Power Must Change Hands program we have today had not started at that time. This was just a sermon. She heard me reading the verse, ***"Behold, I lay in Sion a stumbling stone and rock of offence: And whosoever believeth on him shall not be ashamed..."*** And I said if you fall on that rock, you will be broken to pieces, but if the rock decides to fall on you, you will be ground to powder." Then I taught them one prayer point: *"Powers attacking my life, collide with the Rock of Ages, in the name of Jesus."* That was the prayer.

There are two possible outcomes. They either fall upon that stone or the stone falls upon them. Whichever happens, that person will be broken or ground to powder

She was pregnant again when they brought her for the prayer meeting. So, she went home and prayed. That night, the cow came again. The cow started rushing towards her with the horns stretched out, but a split second before the horn would hit her stomach, a rock appeared suddenly, and the cow smashed its head against that rock and fell down dead.

By the next morning, her chief bridesmaid during her wedding, who also got married around the same time she got married and who usually sympathized with her when she lost her previous pregnancies, was dead. She had died a strange death. Her skull and neck were broken. That is what happens when a man or

woman collides with the Rock of Ages.

Prayer Interlude

Powers contesting for my joy,
collide with the Rock of Ages, in
the name of Jesus.

However, there are two problems that can sometimes cause the Rock of Ages and that stone to be present without helping a person. It will observe trouble, but will not strike.

THE PROBLEM OF LIMITING GOD

The first problem is what you find in Psalm 78:41-51, *"Yea, they turned back and tempted God, And limited the Holy One of Israel. They remembered not his hand, Nor the day when he delivered them from the enemy. How he had wrought his signs in Egypt, And his wonders in the field of Zoan: And had turned their rivers into blood; And their floods, that they could not drink. He sent divers sorts of flies among them, which devoured them; And frogs, which destroyed them.*

He gave also their increase unto the caterpillar, And their labour unto the locust. He destroyed their vines with hail, And their sycamore trees with frost. He gave up their cattle also to the hail, And their flocks to hot thunderbolts. He cast upon them the fierceness of his anger, wrath, and indignation, and trouble, By sending evil angels among them. He made a way to his anger; He spared not their soul from death, But gave their life over to the pestilence; And smote all the firstborn in Egypt; The chief of their strength in the tabernacles of Ham:"

God did all this and yet they limited Him.

This is a very sad situation. They turned God into a limited liability company, which could collapse and go bankrupt. They forgot that God is a God who cannot be put in a cage. They forgot that God is the One that no man can put in a boundary. The same people who saw God part the Red Sea and smite Egypt with plagues until the firstborn were destroyed, began

to accuse God, saying, "Yes, He has done all this, but can He bring water to us in the wilderness?" God got angry. God always gets angry when men put a limit on Him.

The sin of limiting God is a common sin of Christians. Whenever the devil realises that he is on the verge of being pushed out of a life, he will put in a strong effort, pretending to be tough. If you give up at that time, then you have limited the Holy One of Israel. Unbelief is an insult to the power of God.

I remember the story of Britain's wartime Prime Minister, Winston Churchill. This man was once acclaimed an idiot and a dunce of heavy distinction. Early in life, his academic performance was simply woeful. His inclination to failure seemed beyond redemption at that time. He was once honored in his school during what they called the "dunce day". The dunce day was a ridiculous ceremony at which "intellectual blockheads" were mocked, ridiculed and insulted. They

awarded stupid prices for being "failures of distinction". Eventually, this same man, that was rated a dunce and idiot, headed all the first-class brains when he became Prime Minister.

Prayer Interlude

There may be predictions that you cannot make it. Somebody might have prophesied or decreed that you will not get to where God wants you to get to. This is why in the name that is above all names, Jesus Christ, the Son of the living God, every tongue that has limited your destiny is dried up now, in the name of Jesus

Any carryover from Egypt that is making you limit God, let that carryover catch fire, in the name of Jesus.

Any satanic arrow that has determined to be a part of your life, I kill it now, in the name of Jesus. Receive your deliverance, in the name of Jesus.

Do you know why some of us have problems? It is because we engage the devil in discussions. The devil has no right to ask you questions

Do you know why some of us have problems? It is because we engage the devil in discussions. The devil has no right to ask you questions. All the “Why” questions: “Why am I like this? Why is this happening? Why am I the only one this is happening to?” are all questions from the devil. Satan is always asking questions, but he has never asked any honest question. If you do not know how to ignore satanic questions, or how to answer him back, you will lose your miracles.

After prayer, the devil is the one who will come and ask, "Do you think God has answered your prayers? Do you think you have been really healed? Are you sure this is the end of this problem? They have given a prophecy that it shall be well with you. Are you

going to hold on to that alone? What if the problem comes back after you share your testimony" He asks questions. If you do not move off from those questions and tell him to get away from you, he will very soon begin to suggest his own prescriptions to the problems.

As you connect yourself to the grinding power of God, your divine possibilities shall manifest. God will also change your name. Abram meant “exalted father”. God changed his name to Abraham, which meant “father of many nations”. Perhaps you are bearing a name that is hindering and limiting God, just as God removed “Abram” and instituted “Abraham”, so will God remove every “Abram” in your business and finances.

Whatever stands in your way is standing in the way of the stone. Our God is a bulldozer and when an enemy stands before a bulldozer, the enemy, along with all that is behind them, beside

them, and around them, will be bulldozed out of the way.

Prayer Interlude

I connect my life to the grinding power of the Rock of Ages, in the name of Jesus

THE PROBLEM OF SPIRITUAL IMMATURITY

There is another problem. A lot of people are being invited to connect to the Rock of Ages, but there are certain rough edges God has to first clear away from their lives. Many of us are suffering from spiritual immaturity. We are not growing in our inner health and maturity as we grow in our physical bodies. Very few Christians devote time to the study of God's word. A lot of people give more attention to their worldly studies and professional training.

When I was a student at the University of Lagos, there were classrooms where students went to study at night. It was a wonderful sight to behold at

night. I got into university at a younger age. I was sixteen when I got into university, but there were people in my class who were thirty-two, thirty-seven and forty years old. People with seven or eight children were in my class.

So, when we went to study at night, it was a strange sight to behold the effort that people were putting in to make sure they studied and what they studied stayed in their heads. Some would put their two legs in buckets of water so they would not fall asleep. Some would sit on hot water bottles. Some would consume large amounts of coffee so they would not fall asleep. Some would chew on bitter kola. Some would consume drugs, just to remain awake.

As you connect yourself to the grinding power of God, your divine possibilities shall manifest. God will also change your name

Would to God that our priorities will change as believers, and we will see great things happen. That is why the writers of the New Testament lamented about our poverty of the word of God. Some can pray and do all kinds of things, but to load themselves with the word of God is a problem. For the grinding stone to work for you, you must not limit God. You must be a man or a woman of the Word of God. His word must dwell richly in you.

If you will call upon God and roar to Him in desperate prayer, the stone will be provoked against your enemies.
