Spiritual Contamination

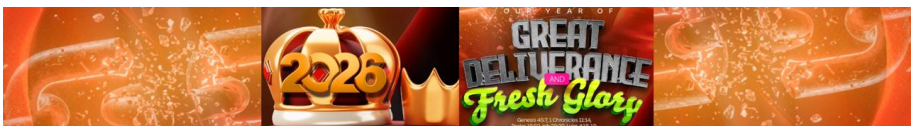

Contamination removes divine presence. Once the presence of God has left a life, demons and all kinds of spirits have the right to torment and harass the person

Jesus is the King of Kings and the Lord of Lords. He is the same yesterday, today, and forever. Likewise, the devil is still the same ancient devil. The weapons he has been using since Genesis have not changed. What he has done is to rebrand them. There is one of the ancient weapons that the devil has rebranded for our generation, and that weapon of the devil is being used to devastating evil success. It is an old weapon that he has now thoroughly rebranded

and repackaged for the modern-day man.

This weapon is now being used to de-anoint and demotivate so many people. This weapon is now being used to create a ready-made, twenty-four-seven ladder. As it is now, this weapon has created a ladder that enters into people's lives anyhow and anywhere. It will not stop you from going for deliverance; you will go for your deliverance, but it is ready made.

This weapon is now being used to cause confusion in the lives of people, particularly the young ones. This weapon is being used to drag many unconsciously into hellfire. This weapon has been cleverly used by the enemy to drag men into the pit of sexual perversion and a doggish spirit.

This weapon is destroying the lives of many young men and women in instalments, and it has turned many into zombies in the school of prayer.

Another name you can give to this weapon is an injection from the bottom of hellfire. You go to the hospital, and they give you an injection for insulin or an injection against malaria. This one is an injection from the bottom of hellfire. This weapon is now being used to make sure that prophets and prophetesses of God become very scarce commodities. This weapon is now being used to remove the salt from the life of believers who are supposed to be the salt of the earth.

The trouble with this weapon is that once the enemy is using it on somebody and the weapon is succeeding, the heavens get very

Every time there is contamination or defilement, the Almighty gets very angry. And if it is the Almighty fighting you, three million deliverance sessions will not help you

angry against that person. This weapon punctures the spiritual life of people and deflates the tires of their spiritual journey. This weapon has converted many to twice the children of hellfire, and it has strengthened satanic strongholds in so many lives. It is a weapon that turns away heavenly mercy from people, converting the winner to the loser and the hero to zero.

This weapon is known as spiritual contamination.

In 2 Corinthians 7:1 the Bible says, ***“Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God.”*** This passage speaks of spiritual contamination, spiritual filthiness, and spiritual defilement.

This type of contamination is a very serious subject in the Bible because every time there is contamination or defilement, the Almighty gets very angry. And if it is the Almighty fighting you, three million deliverance sessions will not help you. The best miracle-working apostle cannot help you,

and fire prayers will be helpless if it is the Almighty fighting you.

1 Corinthians 3:16-17 says, ***“Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? 17If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.”***

So, anytime there is defilement in the temple of your life, there is contamination, and heaven gets very angry. And what heaven does is destroy.

These days, beloved, people are being held in captivity by contamination and defilement. They may not know, and they may not understand. Every day, Satan embarks on a terrible agenda to contaminate us. He knows that once your body, your soul, or your spirit is contaminated, is filthy, and is smelling in the nostrils of heaven, you are in trouble and you cannot move far because heaven does not want to even look in your direction.

Satan embarks on that journey every day with a terrible agenda to contaminate all of us. He does this by releasing dirty things, filthy

things, and rubbish into our hearts, our souls, our bodies, and our spirits from every direction. He defiles us through media, friends, families, and our environment. What defilement and contamination does to our lives is terrible. Contamination removes the glory of God, divine protection, and the favour of God. Contamination positions you for spiritual attacks. The worst of the matter is that contamination removes divine presence. Once the presence of God has left a life, demons and all kinds of spirits have the right to torment and harass the person.

Spiritual contamination is a tragedy, and it has penetrated and destroyed our generation.

There are some people who, if they look at something bad, can immediately wipe it off and they

do not think about it anymore. There are other people who look at something bad, and it registers in their minds for one week.

Maybe you watched a film that contained pornography and terrible sexual perversion, and then you discovered the images are now glued to your mind. For as long as they are glued in there, your life is in danger because heaven knows that film show is still glued to your spirit. As far as heaven is concerned, it is defilement and contamination, and so the presence and protection of God leaves you for as long as the contamination lurks in your spirit. There is no point saying, "Well, they have told me the film is bad but let me watch it anyway." It sticks, it pollutes, and it causes trouble.

Prayer Interlude

Every power contaminating your soul must die in the name of Jesus

WHAT IS CONTAMINATION?

The Bible is a spiritual book. It is written in spiritual language; it is a spirit to spiritual people. You are a

When the spirit is contaminated, the soul is contaminated. When the spirit is contaminated, the body is contaminated

spirit. Spirits fight spiritually, and spirits will also fight you spiritually because you are a spirit. Spirits can be used to work against you; they can block and obstruct you because you are a spirit. There can be a transference of spirits because you are a spirit. This is why when the spirit is contaminated, the soul is contaminated. When the spirit is contaminated, the body is contaminated. It is a huge problem indeed.

What does it mean to contaminate? It means to make dirty, impure, to corrupt, to defile, to infect, to mess up, to poison, to desecrate, to pollute, and to disfigure something.

The Bible says in 2 Corinthians 7:1 that we should cleanse ourselves from all filthiness of the spirit and body, and key into holiness. This means we must take our spiritual

condition seriously. Spiritual purity is one of the keys to being used by God. If you want God to use you, you need to be pure inside.

GATES OF CONTAMINATION

The world presents to us so many things that contaminate our vessels, causing us to be defiled. There are four main ways that contamination can enter our lives:

1. **Through the eye gate.**
2. **Through the ear gate.**
3. **Through the sex gate.**
4. **Through your spirit man:** The transfer of spirits is the strongest avenue of spiritual contamination. There can be a positive and godly transfer of the spirit to somebody.

I have seen someone who went to a prayer meeting. When he entered the meeting, he could not prophesy. But by the time the meeting ended, he had become a small prophet and had started to prophesy. That was a Godly transfer. God breathed into the nostrils of Adam and transferred His

spirit into Adam, and Adam became a living soul. That was a positive transfer. God took of the spirit that was upon Moses and began to share it out to the seventy elders. That was a positive transfer.

Negative transfer, on the other hand, is a transfer of unholy spirits from one object or person to another. Many cannot explain how they came about their reckless immorality, reckless anger, reckless pride, reckless materialism, or reckless hatred.

Many totally forget the words of scripture in 1 Timothy 6:7 that say, ***“For we brought nothing into this world, and it is certain we can carry nothing out.”*** Naked we came and naked we are going out. So, anyone who thinks that life is all about accumulating material possessions is making a mistake. Life is more than that.

VEHICLES OF CONTAMINATION

1. **Words:** We can get contaminated through words or through communication. Regular communication with an immoral person will transfer evil spirits into you.
2. **Evil Association:** You can be contaminated through evil association; they say show me your friends, and I will tell you the kind of person you are.
3. **Media:** You can get thoroughly contaminated through television, video films, the internet, social media, and messages. Just as the healing anointing can flow to you through the media of a spirit, a spirit of immorality can also jump on you through those media.
4. **Bad Books:** You can be contaminated through the bad books you are reading. Occultic or pornographic books will transfer evil things to you.
5. **Generational Transfer:** You can be contaminated through generational or parental transfer. Your father was a chronic polygamist. And now, even as a young boy in school, you already have multiple girlfriends. Your father has transferred polygamous witchcraft into your life. Your mother could not stay in one matrimonial home, and now you are already having multiple boyfriends. That anointing has been transferred into your life.
6. You can receive contamination through **bad music**.
7. You can receive contamination through **the evil laying on of hands**.
8. You can receive contamination through food

Anytime you have sex with a person, you automatically bond with them. Whatever spirit operates in their life flows into your life, and whatever is in your life goes into their life too

and **feeding at the table of the devil.**

9. You can receive contamination through **association with occultic objects.**

10. You can receive contamination through **the evil environments where you operate.**

11. **Sex:** You can receive contamination through sex. As a matter of fact, the easiest way through which evil spirits are transferred from one person to another is sex. Sex with highly demonized persons (male or female), occultic agents, witchcraft agents, fetish priests, or marine agents will certainly bring evil spirits into you, even if you are speaking in tongues when carry out the act. These spirits have no respect for using protection.

Sexual contamination has resulted in many terrible problems, including gynecological issues, terrible fibroids, impotence,

backwardness, losing control over one's sexual life (a highly controlled person becoming as promiscuous as a dog after sleeping with specific people), and marital delay.

Understand that sex is not just a physical exercise, but a spiritual one. Anytime you have sex with a person, you automatically bond with them. Whatever spirit operates in their life flows into your life, and whatever is in your life goes into their life too. A part of you is taken away and a part of them is also taken away. A blood covenant is established, and you become one with that person.

That is why the Bible says in 1 Corinthians 6:15, **"Know ye not that your bodies are the members of Christ? shall I then take the members of Christ, and make them the members of an harlot? God forbid."** For those who are still patronizing prostitutes, you are spiritual ticking time bombs waiting to explode. Having sex with multiple

partners causes your life to be divided. You cease to be a whole person. You become a divided, incomplete person, allowing dark forces to invade your life at will.

Herein lies the trouble that the world is struggling with now. Herein lies the reason our prayers are powerless. Herein lies the reason problems come back after deliverance. It is because the soul is already contaminated, the spirit is polluted, and the body is defiled. You are praying, but heaven is covering its nostrils. How will heaven help you when you are smelling in the nostrils of heaven?

THE IMPORTANCE OF HOLINESS AND PURITY

The Bible says in the book of Hebrews 12:4, *“Ye have not yet resisted unto blood, striving against sin.”* Verse 14 says, *“Follow peace with all men, and holiness, without which no man shall see the Lord”* Without holiness, no man shall see the Lord.

The foundation of spiritual cleanliness is holiness. What is holiness?

- **Holiness is to be made partakers of divine nature.** A holy person is like God in his nature. His nature conforms to the nature of God, having a likeness to God as revealed in Jesus Christ. To be like Jesus in our world means separation from that world. Before we can achieve that, there must be purity and love.
- Holiness is different from maturity. **Holiness is purity.**
- **Holiness** is a heart cleansed from sin and full of love.
- **Holiness is freedom from sin** and all that is evil, unclean, and selfish.
- Holiness is to be wholly dedicated to God.
- Holiness is to be completely yielded to the will of God.
- Holiness is putting off the old man and putting on the new man.
- Holiness is more than doctrine, theory, or experience; **it is Jesus Himself.**

Let me tell you a secret. If every member of Mountain of Fire lives

the kind of holy life God wants them to live, heaven will answer their prayers before they even finish uttering them.

The secret of keeping your youthfulness and looking younger than your age is holiness. When you are holy, there is an inward peace and an ending of frustration, doubt, and worry. God's love will fill your heart. You will be far from striving and personal ambition that others want to kill themselves for. And once your inner faculties feel so free, every faculty of your body and your mind feels the benefits. Your eating, drinking, nerves, blood pressure and everything will partake in that spiritual blessing.

But if you are living a dirty unholy life and always looking for lies to manufacture to your spouse, drinking alcohol and hiding the bottle, and manufacturing lives to deceive multiple sex partners, you are getting old. If you are drinking what you should not drink, you are getting older.

The Bible is a textbook of holiness, that is why it is called the Holy

Bible. It was written by a holy God to make us a holy people. I pray that you will key into the benefit of holiness.

Holiness is not freedom from temptation. Jesus was sinless and divine, yet he was tempted in all points. The devil attacks those who are most dangerous to him. The enemy is more active against Christians. Temptation is not sin unless we yield to it.

You may not be able to stop birds from flying over your head, but you can prevent them from making nests on your head. Just as a Christian can lose the experience of salvation, a person can lose holiness.

Holiness is not freedom from mistakes. A holy person may make mistakes but must not become a habitual sinner or return to their mistakes.

I pray that today, the Lord of Hosts will visit everyone reading this message. If you are not born again and have not yet surrendered your life to Jesus, you better do so very quickly now by saying this prayer: *"Father, in the*

name of Jesus, I come before you now. Lord Jesus, come into my heart and take control of my heart. In Jesus' name. Amen."

Sermon by:
