## God Gave Them Up

A situation could arise where God gives up on a person. God retires from the person's case and says, "Okay, I leave you on your own."

In Jeremiah 14:8, we read one of the strangest verses in scripture. *"O the hope of Israel, the saviour thereof in time of trouble, why shouldest thou be as a stranger in the land, and as a wayfaring man that turneth aside to tarry for a night? Why shouldest thou be as a man astonished, as a mighty man that cannot save? yet thou, O LORD, art in the midst of us, and we are called by thy name; leave us not."*

What is being said in this passage is, "O God, You are the hope of Israel. You are our Savior in time of trouble. Why does it seem you are acting like a total stranger, as if what worries us does not concern you, and as if you are a visitor just staying for the night and then going away? You have all the power. Why then do You seem astonished, like a mighty man that cannot save? Yes, you are our God. Leave us not."

A situation could arise where God gives up on a person. God retires from the person's case and says, "Okay, I leave you on your own." It is a tragic situation when that happens.

Let us look at some passages in scripture. Genesis 6:3 reads, *"And the Lord said, my Spirit shall not*

***always strive with man but that he also is flesh. Yet his days shall be an hundred and twenty years.***” This means if the Holy Spirit keeps talking to you, instructing you, advising you, and telling you something is wrong, and you do not yield, a situation will come when that Spirit striving with you will no longer strive and will no longer persuade you. He will just leave you alone. And once a person arrives at that junction, it is a tragic junction.

For those of us who spit in the face of God, take God for a ride, not take Him seriously, and think Christianity is a joke, drama or entertainment, you are pushing yourself towards this dangerous arena.

Hosea 4:17 reads, ***“Ephraim is joined to idols: let him alone.”*** A person just decides to do the wrong thing in spite of the fact that he has a baptismal name, his father was a Christian, his

mother was a Christian, and he was brought up in the way of the Lord. They were dedicated on the 40<sup>th</sup> day in church and given a Christian name, and yet they decide to go their own way. He says, “Leave them alone.” They will get to a place where prayers become useless, and deliverance becomes non-existent no matter how long they go for it.

See what the Almighty says in Psalm 81:11-12, ***“But my people would not hearken to my voice; And Israel would none of me. So I gave them up unto their own hearts' lust: And they walked in their own counsels.”*** This is to properly establish this point so that if you are at the edge of the cliff and about to fall over, you better run back to Jesus and become serious.

Romans 1:24 reads, ***“Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:”***

It is true that God can decide to abandon a person's case. How unhappy such a person would be if God leaves them alone to themselves

Do you see the way people treat their bodies these days and the way there is attraction of strange flesh towards each other? If you ask the names of people who engage in these practices, you find that they were born in a church and their parents were probably pastors or Christians.

One time I was in France and a lady came for counselling. I said to her, "What is your name?" She said, "My name is Destiny." I said, "What is the occupation of your Father?" She said, "My father is a pastor." I asked, "What work are you doing in this country?" She said, "I sleep with dogs." Dogs sleeping with human beings. I said, "What?" She said, "That is the only job I could find." She said each episode earned her \$5,000. God gave them up to their uncleanness.

If God wanted human beings to engage in oral intercourse, he would have moved the womb to the head. But He did not do that, so what you are doing is a perversion. It is a strange perversion. Know for sure that everything being swallowed are living cells with potential to become human beings. So, you are a human cannibal. That is the problem. When you start doing things like that, even if the person is your spouse, God gives up and says, "You and your spouse, go with your uncleanness."

Romans 1:26 says, ***"For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature."***

A woman came for deliverance and the first day they brought her, she stood up in our counselling room and was trying to take off her clothes. We held her down. Then she began to speak. She said she sleeps with a minimum of three men at a time. One man could not satisfy her and all three would sleep with her in different ways at the same time. Three men. God just packs them aside. That is what is called vile affections. To insult God further, sometimes when they do these kinds of things, they play praise and worship songs.

Romans 1:28, ***"And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient."*** What I am

trying to tell you is that it is true that God can decide to abandon a person's case. How unhappy such a person would be if God leaves them alone to themselves. Woe to the man or woman that God has abandoned. He no longer speaks to you, and you go from mountain to mountain for prayers because He does not talk to you anymore.

A man came to the church, and we gave him prayer points. He said, "No, I don't want prayer points. I am looking for someone who will pray with me every day." So, he ran away, and somebody took him to a mountain. They hired a room for him there and the person who took him there went back to the city. After one week, the person who took him there found the police at his door. They asked, "Do you know this person?" He said, "Yes, I took him to the mountain." They said, "Well, he died in his room. His body had swollen up and nobody knew he was there. You were the person who took him there and the last person to see him. So, you must follow us to the station to make a statement."

Woe to the man or woman who God has abandoned. When God stops talking to you about yourself, and you have to consult shaking and

vibrating prophets to know what God is saying, it means you are in trouble. When God allows the way to Hell Fire to be very smooth and pleasant, it is a very bad case indeed. When a man is having a great time in the way of destruction, such a man should be pitied.

When the angels of God, including the angel that God assigned to you, are not putting stumbling blocks on your way of destruction, then you are in trouble. It is a sign of God's anger. It is a sign of God's rejection. It is a dreadful sign that God does not intend to do the person any good.

The Bible says something very interesting in Proverbs 22:14, ***"The mouth of strange women is a deep pit: He that is abhorred of the LORD shall fall therein."*** It must be that such a person has offended heaven, and heaven wants to punish him. So, he is pushed towards strange women. Those who keep one

wife at home and one wife in church, one wife here and one wife there, one girlfriend here and one girlfriend there, note that the prophet is warning you now. You may be closer to destruction than you think. The trap under your feet may just be ready to catch you if you do not change and repent.

God said about Ephraim in Hosea 4:17, ***“Ephraim is joined to idols: let him alone.”*** This is a sad statement. Psalm 125:5 says, ***“As for such as turn aside unto their crooked ways, the LORD shall lead them forth with the workers of iniquity.”***

This is one of the most shameful things I have ever seen in my life, and I do not pray to see it again. I was a young believer at the time. A pastor went in to another man’s wife beside our house in Lagos. He did not know that the husband had put some charms on the wife and that whoever slept with the woman, who was not

the husband, would be glued to her. The pastor said he went there for a prayer vigil, and the vigil became a different kind of vigil, and they were both glued together.

They tried all night to separate themselves, but it was very painful. Around 4 a.m., the woman started telling him, “Let us call people to help.” The pastor said, “Ah no, it will affect my calling. You want to destroy my calling.” This went on until 8 a.m. in the morning. When the woman could no longer cope with the pain, she shouted to the neighbors, and they came running. It was a disgrace when they carried both of them out naked in a wheelbarrow. They wheeled them down to a native doctor at the bottom of the street.

What was most painful to me was that the pastor was speaking in tongues as they were wheeling them away. As a young Christian, I wondered why did he not speak those tongues before he got into that situation? He had gotten to a junction where the speaking in tongues failed. A man can get to that level.

If you are reading this and you are not yet born again, you have not yet surrendered your life to Jesus Christ, just say this prayer, “Father in the name of Jesus, I surrender my life to you. Come into my life, in Jesus name. Amen.”
