Wicked Powers, Wicked Weapons – Part 3

Whether we like it or not, everyone has spiritual enemies. There has never been, nor will there ever be, a gentle way of addressing wickedness. It is not possible

Ephesians 6:12 states: *“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”*

There are forces that are extremely wicked. Wickedness starts from hell, moves into the heart of man, enters the imagination, and goes into the thoughts before it finally transforms into action.

We started studying this topic in the last two editions and have so far covered six weapons.

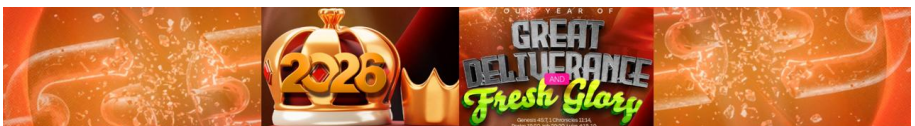

Let us make further progress.

Ephesians 6 tells us that we are in a spiritual war; we are fighting. It can be a very terrible matter when someone is in a fight and does not even know that they are fighting. That means they are not providing any defence because they are not even aware that they are in a conflict. You may even be drinking from the same cup with the powers that want to destroy you because you are unaware that a battle is raging.

Prayer Interlude

Every wicked imagination against my life, collapse and fail, in the name of Jesus.

Listen, beloved, wickedness does not need to have a motive. You do not have to offend anybody. There is a serpent and a scorpion behind all wickedness, and wickedness works hand in hand with terminating powers. The Bible helps us understand that there is a class of spirits that specialize in wickedness. The scripture references "spiritual wickedness in high places" and notes in

Psalm 74:20b that *“the dark places of the earth are full of the habitations of cruelty”*. This is a very serious matter.

Wickedness is alien to mercy and pity. Wickedness magnetizes tragedy, and they both work hand in hand with a dead conscience. There are people whose consciences are dead—wicked people with dead consciences.

Take the case of that armed robber who broke into a house and found a woman with six children. He demanded money, but she did not have any money because she had so many mouths to feed. He told her, "Since it is because of these children that you do not have money to give to us, I will help you reduce them to two," and he began shooting the children while they slept. What kind of conscience is this? It is dead and wicked.

LEVELS OF WICKEDNESS

The Bible makes us understand that there are different levels of wickedness. Matthew 12:43-45 says that when an unclean spirit leaves a person, it does not go too far; it waits to see whether they simply clean up the place without occupying it with something else. When it finds that the house is swept clean but has no occupant, the Bible says it will go and bring seven more wicked spirits. This means that if you want to confront such wickedness, you will have to pray a more wicked prayer because those spirits are exceedingly wicked.

Prayer Interlude

Every wicked arrow waiting in my environment to enter my house, backfire, in the name of Jesus.

Any wicked arrow that has entered my company, business place, school, or the place where I earn my daily bread, I command those arrows to backfire, in the name of Jesus.

There are different levels of wickedness, which is why we need these weapons. There is:

1. Wickedness in the heavenlies.
2. Environmental wickedness.
3. Spiritual wickedness.
4. Marital wickedness.
5. Physical wickedness.
6. Mental wickedness.
7. Emotional wickedness.
8. Household wickedness.
9. Career wickedness.
10. Envious wickedness.

WICKED ENEMIES

Whether we like it or not, everyone has spiritual enemies. There has never been, nor will there ever be, a gentle way of addressing wickedness. It is not possible. There is no gentle way of cleaning a septic tank, and likewise, there is no gentle way of addressing wickedness.

Prayer Interlude

*All the wicked powers ganging up
against me, scatter in seven ways,
in the name of Jesus.*

There are many wicked enemies, and they fall into different categories:

- Ephesians 6:12 tells us some of them. Principalities, powers, and rulers of the darkness of this world are wicked enemies. Spiritual wickedness consists of wicked enemies.
- When the Bible talks about demons and unclean spirits, it refers to wicked enemies. Foul spirits are wicked enemies.
- Fallen angels, as written in Jude 1:6, are wicked enemies.
- The princes of this world, thrones, and dominions are also wicked enemies.
- The Book of Revelation tells us there are frog spirits, scorpions, dragons, and snakes, all of which are wicked enemies. There has never been a kind scorpion. All the spiritual riders and their horses mentioned in the Book of Revelation are wicked enemies.
- Sea monsters and monsters from under the earth are wicked enemies.

There are various categories like those listed above. Some people see them in their dreams and wonder what kind of enemies they are facing. When the enemies are this wicked, you also need your wicked spiritual weapons to deal with them.

WICKED WEAPONS

There are different levels of weapons. For example, whether a man carries a cutlass, or a knife, or a Dane gun, or a rifle, or a revolver, or a pistol, or a machine gun, he is carrying a weapon. But one weapon is always stronger than another. Weapons are not the same, and they do not perform the same tasks. To be effective in spiritual warfare, a serious Christian soldier must learn to use different kinds of spiritual weapons.

It is unfortunate that there are so many spiritual weapons about which believers know very little. Many Christians do not know that some spiritual enemies respond to one weapon but will not respond to another. That is why there is always a vacancy in heaven for mad prophets. God is looking for people who will pray those bold, uncompromising, and uncivilized prayers. Why? The world itself has gone mad, and it requires mad prayers to put things back in order.

A sister from this church was traveling in a cross-country coach bus when they were stopped by armed robbers. The robbers took money from everyone, and the passengers thought that since the money had been collected, the robbers would leave. All of a sudden, one of the

armed robbers looked at this sister from MFM and ordered her to lie down. The sister refused and said, "No, sir." The robber threatened, "I will shoot you," to which she replied, "You cannot."

Then she raised her hand and prayed, "Father, let the thunder of the Holy Ghost, as in the days of Elijah, and fire fall upon this man." As soon as she said it, the man began to spin and fell down clutching his stomach. The other robbers ran away, shouting that there was a witch inside the bus.

There is a vacancy in heaven for mad prophets. When you have enemies that bite without remnant, you must get mad with them.

Review of the Weapons

We have previously looked at the following weapons in the last two editions:

- **Weapon 1:** Divine Carpenters
- **Weapon 2:** The Flying Roll or Scroll
- **Weapon 3:** Ravenous Birds
- **Weapon 4:** Wasters (I release divine wasters against your enemies now, in the name of Jesus)
- **Weapon 5:** Fishers and Hunters
- **Weapon 6:** Evil Angels or Pursuing Angels

We will now move to number seven, which is called the divine serpents.

Weapon 7: Divine Serpents

Many do not know that God also has His own serpents. In Amos 9:1-3, the scripture says:

"I saw the Lord standing upon the altar: and he said, Smite the lintel of the door, that the posts may shake: and cut them in the head, all of them; and I will slay the last of them with the sword: he that fleeth of them shall not flee away, and he that escapeth of them shall not be delivered. Though they dig into hell, thence shall mine hand take them; though they climb up to heaven, thence will I bring them down: and though they hide themselves in the top of Carmel, I will search and take them out thence; and though they be hid from my sight in the bottom of the sea, thence will I command the serpent, and he shall bite them:"

Do you remember the rod of Moses? God was the first to turn the rod of Moses into a serpent. Moses had a serpent, and the magicians of Pharaoh also had serpents, but the serpent of Moses swallowed the serpents of Pharaoh. That is why, many years ago, we preached a message titled: Watching the Serpents of the Magicians. If a person is watching the serpents of the enemy and does not put their own serpent down to bite or swallow them, such a person will be tormented.

It was a bronze serpent lifted up that brought deliverance and salvation to the Israelites in the wilderness.

God has His own serpents, and they can be commanded by the Almighty to bite. Did you have a dream where some powers calling themselves the queen of the coast or marine powers threatened you? Or is something coming from the waters to trouble your life? Command the serpent of God to bite them and they will leave you alone. But if you do not know that there is a serpent of God, how will you pray such a prayer? That is why you are learning it now.

Prayer Interlude

Serpent of the Almighty, bite every marine power troubling my life, in the name of Jesus.

When the rage of the enemy from the waters is intense, you keep seeing them, they keep harassing you, and your kinsmen keep telling you to start worshipping those powers from the waters so that they can leave you alone, pray the mad prayer that the serpents of the Lord should go and bite them one by one.

Weapon 8: Chariots of Fire

We find weapon eight in Isaiah 66:15-16:

“For, behold, the LORD will come with fire, and with his chariots like a whirlwind, to render his anger with fury, and his rebuke with flames of fire. For by fire and by his sword will the LORD plead with all flesh: and the slain of the LORD shall be many.”

2 Kings 6:17: *“And Elisha prayed, and said, LORD, I pray thee, open his eyes, that he may see. And the LORD opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha”*

The eighth weapon is the chariots of fire. When you are attacked by an army of enemies, let the chariots fight for you by provoking the chariots of fire against your enemies. If you were suddenly surrounded by wicked powers from the covens in your dreams, provoke the chariots of fire to fight them and defend you.

Weapon 9: The East Wind

This is a very powerful weapon found in Exodus 14:21: *“And Moses stretched out his hand over the sea; and the LORD caused the sea to go back by a strong east wind all that night, and made the sea dry land, and the waters were divided.”*

This weapon is called the east wind. Is this the only mention of the east wind in scripture? No, Jeremiah 18:17a states: *“I will scatter them as with an east wind before the enemy”*

God used this weapon to deal with Pharaoh and Egypt. It was the east wind that opened the Red Sea, brought a covering of darkness over the Egyptians, and dealt with the princes and kings of Egypt.

The east wind is a weapon to scatter God's enemies and bring calamity upon them; it dries up, breaks down, and causes things to wither. The east wind is a weapon against stubborn pursuers.

Prayer Interlude

East wind of God, pursue my pursuers, in the name of Jesus.

Weapon 10: The Arm of the Lord

Let us look at one more weapon in Isaiah 51:9-10:

“Awake, awake, put on strength, O arm of the LORD; awake, as in the ancient days, in the generations of old. Art thou not it that hath cut Rahab, and wounded the dragon? Art thou not it which hath dried the sea, the waters of the great deep; that hath made the depths of the sea a way for the ransomed to pass over?”

The tenth weapon is the arm of the Lord. The arm of the Lord also has another weapon under it, which is called the finger of God. There is His finger and there is His arm. When His finger is pointed, it is a great problem for the enemy. But when the entire arm is extended, it is an even greater problem. This weapon speaks of the power and the Spirit of the Lord. The scripture says it wounded the dragon, and so shall all dragons in your life be wasted, in the name of Jesus.

Put these weapons into practice and see what would begin to happen.
