Breaking the Dark Market Cages

A caged person is severely limited. A caged person sees but cannot receive. A caged person can never achieve their full potential. A caged person is lost to reality

The Bible is a very deep book, and when we get to heaven, nobody will blame the Bible because it has made all things very clear. It shows us the camp of the enemy, it shows us how to overcome the enemy, it shows us Hell Fire and teaches us how not to end up there. The Bible shows us the glamor and glories of Heaven and shows us how to get there.

The Bible contains the Ten Commandments. If the whole world

would just follow those ten commandments, there would be peace everywhere. The Bible talks about marriage, who you should and should not marry, and what marriage should be like. It talks about the Rapture and that a time will come unexpectedly and suddenly when there will be the sound of a trumpet and those who are ready will go. It is after they have gone that many will start looking for the Bible to read about what has happened.

The Bible explains to us that there is an entity called the strong man. Jesus himself spoke about it. Even though believers do not understand much about the strong man, the children of darkness understand it. Therefore, the words of scripture in Hosea 4:6 have come to pass again: ***"My people perish for lack of knowledge."*** Not the devil's people, but God's people. They perish

because they do not have knowledge. Spiritual ignorance is a huge disaster.

Jeremiah 5:25-26 reads: ***"Your iniquities have turned away these things, and your sins have withholden good things from you. For among my people are found wicked men: they lay wait, as he that setteth snares; they set a trap, they catch men."*** They have mingled among the people of God and pretend, but their agenda is to trap and catch men

In the spiritual realm, there is something called a cage. The cage is like an altar, inanimate but powerful. When a cage is made of bars of iron and gates of brass against a person, if that cage is not broken, it would have been better if the person had never been born. Now you can better understand the song derived from Psalm 107:16 that goes, *"He has broken the gates of brass and cut the bars of iron in sunder."*

Prayer Interlude

Ancestral gates of brass and
ancestral bars of iron, break
now, in the name of Jesus

There are specialized cages that have held many captive for years. One of the strangest cages I have encountered was actually holding a pastor. This

pastor could just not keep away from fornication. He kept sleeping around with all kinds of people, including prostitutes and church members. His wife was aware that he was doing this, but anytime he came back home, or if she found him with another woman, she would hail and praise him saying, "cut them down," instead of confronting or fighting him like other women would typically do. This woman did not fight him.

So, when his problem expanded and he was suspended from his ministry, he came to see me. I asked him, "Do you bring some of these women home?" He said, "Yes". I asked, "What about your wife?" He said, "Sometimes my wife sees me escorting them out." I asked, "And she says nothing?" He said, "Man of God, she even hails me." I said, "Bring your wife."

So, he came with this woman. She was a very pleasant woman with a beautiful smile. I said, "Let us pray." We started praying and suddenly from the mouth of this wife, a male voice spoke to me and said, "Man of God, you are too late. We have caged him. I arranged all the people he has been sleeping with from our covenant. He is finished. This man you are seeing here is just a carcass." All this was said in Yoruba language. What a cage.

Prayer Interlude

If there is a cage holding me down, operated and controlled by the dark market, get out now, in the name of Jesus

The spiritual cage is the domain of cementing spirits. When, for example, cement is being prepared to make blocks for a house and your key drops into it when it is still wet without you knowing, and it hardens up, that key is gone for good. Spiritual cages are the same thing. The cage is the cementing spirit. When the enemy wants to keep something permanently in a person's life, it puts the person in a cage. This is why the Bible talks about the snare of the fowler in Psalm 91:3. A spiritual cage is an arresting, demoting, and limiting gadget. It places a person at the mercy of the enemy.

We went to a zoo some time ago and saw a very aggressive tiger. Its eyes were red, and it paced about restlessly inside its cage. People could throw bottles and stones at it. This was an animal that had the capacity to kill and destroy, but because it was inside a cage, it was being punished.

A cage is what is used to describe the talented but unsuccessful, the intelligent but poor, and the smart but

foolish. It places a person at the mercy of the enemy.

This is the secret behind constant attacks that some people experience and cannot escape from. They are inside a cage and the cage is locked up. Seeing and knowing the enemy, but being unable to respond, shows that a person is in a cage.

Prayer Interlude

Every foundational cage, every acquired cage, every accidental cage, and every cage of the dark market assigned against me, scatter, in the name of Jesus.

A cage is a prison, a trap, a snare, a limitation, and an altar of demotion. A cage confines and traps people. As a rule, cages are fashioned according to the size of the animal they want to stop. Cages are built according to the strength of the animal it is intended for. There are powers that catch men and cage them, but the most horrible of them is at the dark market.

Some animals must be in a cage before you can sell them at the market. You do not find birds flying around when you go to the market. They put them in cages so they can sell them. There is a cage that is used to take men to the dark market for sale. This is where the

souls of men are on sale. They draw a spiritual circle around a person, and they are severely limited.

Prayer Interlude

[Lay one hand on your head]

Any cage holding my head,
break, in the name of Jesus.

A caged person is severely limited. A caged person sees but cannot receive. A caged person can never achieve their full potential. A caged person is lost to reality. A caged person may be beautiful, but beauty has no value inside the cage. A caged person may be intelligent, but intelligence has no value inside the cage. A caged elephant is limited, for example, to a space of 12 x 12 feet, and that is all the distance it can walk. A caged person is a loser in the garden of life.

The Bible says, "They catch men." Not birds, rats, rabbits, or insects. They catch men. When a man is caged, and

A cage is what is used to describe the talented but unsuccessful, the intelligent but poor, and the smart but foolish. It places a person at the mercy of the enemy

he marries a caged woman, the cages are multiplied.

TYPES OF DARK MARKET CAGES

There are 21 cages inside the dark market:

1. Internal cage
2. External cage
3. Personal cage
4. Transferred cage
5. Inherited cage
6. Remotely controlled cage
7. Acquired cage
8. Conscious cage
9. Unconscious cage
10. Forceful cage
11. Voluntary cage
12. Mental cage
13. Financial cage
14. Dream cage
15. Emotional cage
16. Witchcraft cage
17. Familiar spirit cage
18. Environmental cage
19. Family cage
20. Collective cage
21. Sexual cage

All of these are cages in the dark market.

SIGNS OF DARK MARKET CAGES

Once a person is inside a cage, the following will begin to manifest:

1. Destructive temptation. Temptation that can destroy a person will begin to happen.
2. Oppression. They will be constantly oppressed.
3. Possession. The person will be operated by a power that is above them. Something will control the person, and they will not be able to overcome it.
4. Cohabitation. The enemy will rub shoulders with the person.
5. Domination.
6. Initiation.
7. Chronic spiritual marriages. Such people will have constant and regular sex in the dream.
8. Seduction.
9. Intimidation.
10. Manipulation.
11. Diversion. The person's angel of blessing is in one place, but the enemy relocates the person to a place where the angel is not waiting for them.
12. Obsession.
13. Untimely death.
14. Extreme disfavor.
15. Seeing but not attaining.

16. Compulsive stealing. A person comes from a wealthy home and has everything but still steals other people's things that are a lot cheaper than what they already have.

17. Unexplainable epilepsy.
18. Strange and regulated sicknesses.
19. Desire but inability to do what is right.
20. Contrasting personalities. Sometimes they are so nice and sometimes they become the opposite.
21. Dreamlessness. Because they are in a cage, the enemy does whatever they like to the person.

What should you do today?

1. Surrender your life to Jesus. That is not contestable. You must do that.
2. Cry against the cage in desperate prayers.
3. Aggressively cry against the hunter that put you in the cage.
4. Cry to break the cage.
5. Set yourself free.
6. Cry out loud and clear against ancestral cages.

So, we have cage breaking prayers to pray. I do not know the one that would be relevant to your life, but I

recommend you pray all of them equally, and the hand of God will deliver you completely.

If you are not born again and have not yet surrendered your life to Jesus, I would like to counsel you to do so now before starting the prayers. Say, "Father, in the name of Jesus, I come before you now. Lord Jesus come into my life and take control of my life, in Jesus name. Amen."

What these prayers are going to address are things that have been in some people's lives since they were in the womb. Some inherited the cages and those who bought the cages are dead. So, you must be very aggressive.

Three characteristics are needed to thoroughly pray these prayers:

1. Holy anger.
2. Violent cry.
3. Violent faith.
