Caged by Wolves

Every true house of God is now under serious bombardment and there are wolves all over the place, caging and confusing people

Matthew 7:15 reads, ***“Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.”*** Straight away from this simple scripture, we see that one group of ravening wolves is false prophets. Jesus said in Matthew 10:16, ***“Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.”*** This

means that we are living in the midst of wolves.

Now, in Acts 20:29, Paul said, ***“For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock.”*** This tells us that the church is under attack by wolves who come to ravage the flock. Infiltrators from satan who are now invading the children of God. Every true house of God is now under serious bombardment and there are wolves all over the place, caging and confusing people.

CHARACTERISTICS OF WOLVES

If you have never seen a wolf before, and do not know anything about them, here are some characteristics of wolves:

1. Wolves look like dogs, but they have longer legs, bigger feet, wider heads, and a long and bushy tail.
2. Wolves are expert hunters. They can smell other animals from miles away.
3. Wolves howl in a way that frightens people. It is not like the bark of a dog and sounds scary.
4. Wolves are so terrible that they can live in any climate, whether it is cold or hot.
5. Wolves have excellent vision, an excellent sense of smell, and excellent sense of hearing. These three senses help the animal to locate prey. I am outlining these characteristics for you so that you know what Jesus was trying to describe. A wolf can see and smell an animal two kilometres away.
6. The wolf has 42 dangerous teeth and is one of the most gluttonous animals in the wild. It has a very large stomach.
7. The wolf can eat as much as ten kilograms of food at once. Then after eating that large amount of food, it can go without food for two weeks or longer. That is why it is a very dangerous animal.
8. Wolves live in family groups called “packs”. When wolves are in a place, they mark their boundary with their urine. They destroy sheep and other livestock.
9. Wolves hunt day and night. The lion normally hunts in the evening or at night, but wolves hunt anytime.
10. Wolves eat practically anything they can catch.

There are so many wolves ravaging the children of God. Wolves in sheep clothing. Sometimes they pay strange visits to people's homes. They visit men when they know their wives are not at home and vice versa. They claim to be prophets or prophetesses, and they prophesy.

Wolves in sheep clothing. Jesus Christ said in Matthew 10:16, ***"Behold, I send you forth as sheep in the midst of wolves..."***

THE MINISTRY OF WOLVES

You may be reading this today and:

1. Somebody has taken you to the river for a spiritual bath before. You have been caged by a wolf. That person has probably washed your virtues away and stolen things from your life.
2. Sometime ago you had problems, and you went to a cemetery. The Bible says the living have nothing to do with the dead. If you have ever been to a cemetery for

anything other than just burying someone, you have been caged by these wolves.

3. Sometime ago you slept with a man, and you noticed that he had a padlock in his hand. He was using his padlock as he was sleeping with you. You have been caged by wolves.
4. Something went wrong, and someone told you to bring your clothes or materials from your body. Then they put them in a coffin and buried it. You have been caged by wolves.
5. There was a time your husband stopped paying heed to your words. So, someone gave you a piece of meat and told you to put it between your thighs, hold it there

Know that there is plenty of Pentecostal witchcraft going about. They are dressed in suits and speaking in tongues

overnight, then cook it for the man to eat, so that he will start listening to you again. Both you and your husband that ate the meat have been caged by wolves.

6. Your husband stopped paying heed to your words, or you wanted a man by force, and you took your underwear, put it inside okra soup, and gave it to the man to eat. Both you, your underwear, and the man, have been caged by wolves.
7. A “prophet”, or whoever, gave you a sponge to go and bath with. Know for sure that what they did to you was wash away your virtues.
8. Perhaps it was not a sponge they gave to you, but special soap, and you can remember bathing with that soap. What they did was remove your favor and give you hatred.
9. They gave you “holy” perfume, and you are spraying it on your body like mosquito insecticide. What they are doing to you is

You have used your head to carry a sacrifice before. You have been caged by wolves

putting an aura around you that will chase away the angels of the Almighty God and bring evil angels to trouble your life.

10. You went to a “prophet” for prayer, and they said, “For the solution to this problem to come, I must sleep with you.” And you agreed or your parents agreed. You have been caged by wolves.
11. At a stage in your life, someone put incisions on your head, your body, or your pubic area. You have been caged by wolves. The same wolves you were supposed to disgrace with those incisions have caged you.

You have been to a place before where they asked you to enter walking backwards and not forward. You have been caged by wolves

12. You woke up one day and found that your hair had been cut off, and you do not know what happened to it. The wolves have cut it off.
13. So many times in your life, you have been asked to go and pray with your clothes off and barefooted. If you have prayed that kind of prayer, you have been caged by wolves. All those barefooted prayers are wolf prayers.
14. Something happened, and you were asked to leave your clothes in a forest or throw your clothes into a forest and walk far away from them. You have been caged by wolves.
15. You can remember that sometime ago you threw food or other things into a body of water as a form of sacrifice.
16. Sometime ago in your life, you went to a prophet, or a church, and they kept you there for days saying you were under protection. You have been caged by wolves.
17. You have been to a place before where they asked you to enter walking backwards and not forward. You have been caged by wolves.
18. Something was stolen and you were taken to necromancers to invoke the dead or someone to tell you who stole it. You have been caged by wolves.
19. You were given an egg to swallow, you swallowed the egg, and you found out that the egg did not crack in your throat. You swallowed it. You have been caged by wolves.
20. Perhaps they just rubbed the egg all over your body, and then smashed it, and you saw certain things inside that they say they removed from your

You have been caged by the wolves.

body. It is a lie. You have been caged by wolves.

21. You can remember that when you were pregnant, or when your mother carried you in pregnancy, someone had to hang an egg somewhere. You were not born, or you did not give birth to that baby, until they released that egg. Both you, the baby, and the person who did the hanging of the egg, have been caged by wolves.
22. They asked you to throw a satanic party. So, you had a party when you did not really need one, and you invited people to eat, believing that they will carry away your sorrow. You have been caged by the wolves.

23. You arrived at a church, and before you could say, "Jesus is Lord," they had distributed bananas, pineapples, and oranges, and you ate them before the service started. You have been caged by wolves.

24. You have used your head to carry a sacrifice before. You have been caged by wolves.

25. You have consumed things prepared by a native doctor. It is native doctor's menu. You have been caged by wolves.

26. You went to a place, and they gave you a bottle of water and asked you to put the water outside for seven days so that dew would set on it before you drink it. You have been caged by wolves.

27. You went to sleep with a man who brought out a handkerchief that he kept rubbing on your private part. You have been caged by wolves.

These are the ministrations of wolves and the destruction they

In the New Testament,
you are your own
prophet. The New
Testament does not give
room for the prophetic

carry out today

have caused. Only God in His mercy can remove these things from people's lives.

In the New Testament, you are your own prophet. The New Testament does not give room for the prophetic consultation many of us carry out today. Prophetic consultation seeking revelation and asking, "What am I going to do now?" It is scripturally wrong and leads to error. You go to a man because they say, "the man can see..." The New Testament asks you to become your own prophet. If God is not talking to you, and He is talking to others about you, you do have a problem indeed.

Many go to these people who are half witches and half wizards, and their deliverance is not complete. They are Pentecostal witches and wizards. And people say they are "seeing".

If you have been to a place where they said, "You see now, for these problems to be solved, go and give alms to the poor. Go and give alms to three beggars somewhere." You are looking for trouble. All these things result in

being caged of wolves. Do not deceive yourself, and do not allow yourself to be caged.

Someone asked you to come to a place. When you got there, they gave you a candle and said, "Confess your sins on this candle, and then we will light the candle for you and help you to enter into the spirit." You are already caged.

This is why we have serious work to do. These wolves penetrate all houses of God, looking for gullible people who do not know their Bibles. And they catch them easily.

HOW TO DEAL WITH WOLVES

What do we do to deal with these wolves? Jesus said in Matthew 10:16b, "***be ye therefore wise as serpents, and harmless as doves.***" The wisdom of the serpent is the wisdom to strike and run away. To disappear under the green grass.

1. You must ask for the wisdom of God to discern those who are talking to you. That is the first thing you should do.

2. Soak yourself into scriptures and know your Bible inside out. Read it, meditate on it, swallow it, and digest it, so that you cannot be carried about by every wind of doctrine.
3. Know that there is plenty of Pentecostal witchcraft going about. They are dressed in suits and speaking in tongues. You need to soak yourself into the Bible so that you will not be misled.
4. You must have a winning mentality. The thinking of the children of Israel got them in trouble when they were going to the promised land. You are what you think. If you think you are low, then you are low. If you think you cannot make it, then you can't make it. If you think you are a grasshopper, then you become a grasshopper. That generation of the children of Israel did not get to the promised land because their minds were not focused on the promised land. They were focused on something else.

Your thinking must change for you to succeed as an overcomer. It is all in the mind. Your victory starts in the mind and your defeat starts in the mind. If you will become a winner, it starts from your mind. If you have a winning mind, then you become a winner. David had a winning mentality. You must have this winning mentality. You must chase away any wolf that comes against you.

We have some deliverance prayers to pray. A lot of people got caged years ago and they did not know. Some had familiar spirits and some prophet claimed they were delivered, but they were not delivered. So, those spirits are still troubling them, but they think they are free. Some were pursued by all kinds of forces, and they did some rituals and thought the forces were gone. But they did not go. They just rearranged their strategies.

The devil operates a primitive trade by barter system. It is give and take. The devil has no free gifts. If you have ever visited his compound to seek for help, he is

probably still in you now. Unless you have cleansed yourself 100%. He operates quietly, knowing that you can cast him out. You must be very aggressive about it.

The prayers we have to pray are not only yoke breaking prayers, but they are also the prayers that will walk back many years and dismantle the strategies of darkness. Let all those who are winners in their hearts decide in their spirit that they must overcome. I want you to wear the cap of the warrior. You can see that this is not a time to play. A lot of people who are supposed to be rich are poor. Some are supposed to be landlords but are themselves tenants. All because somehow in the past, their journeys passed through the ministry of wolves. This is very sad.

Education does not have anything to do with this. There are plenty educated idiots and educated fools. There are plenty of academic fools. They just read books and do not understand what is really going on in the world. They are so naive about so many things. Some of them will

say, “I love everybody, I don’t offend people. To be quite honest, I am quite nice. So, I don’t see why they are attacking me, they should not. I mean it is unfair.” They do not understand. That is how the world is.

Jesus said, ***“Behold, I send you forth as sheep in the midst of wolves.”*** There are lots of wolf house maids, wolf servants, wolf employers and employees, and wolves all over the place. We must survive in their midst. We must look them straight in the eye, and say, “I know that as you are standing there, you have charms under your clothes. Bring them out now or receive fire.” You must confront them.

We need to be that aggressive. The time for ice cream Christianity or just playing religion is gone. These powers can destroy you. We have work to do.
