Members of Daniel's Band

The Lord is calling for excellence. By excellence, we mean the very finest, the very best of its kind

In this message we shall look at the characteristics of those who belong to Daniel's band by considering the words of a hymn writer in his song titled, "Dare to be a Daniel." The song says: *"Standing by a purpose true."* That means members of Daniel's band must be people who are standing by a purpose and are pursuing that purpose. It continues, *"Heeding God's command;"* members of Daniel's band are those who heed God's commandment. *"Honour them, the faithful few."*

Unfortunately, the members of Daniel's band are few.

The chorus says, *"Dare to be a Daniel; dare to stand alone."* It is a challenge.

Beloved, it is not easy to stand alone. Eagles do not fly in flocks. Those who want to fly high do not flock, they must stand alone. Men and women who have changed things were people who were going the opposite direction. It is not easy to be a lone ranger. The chorus of that song says, *"Dare to stand alone. Dare to have a purpose firm. Dare to make it known."* It means, take your stand. Let people know what you believe. Do not be a hypocrite. That is, the way you look in the church should not be different from the way you look outside. Let people know what you believe. When they know what you believe, they know

your stand, and know what to bring before you.

The second stanza of that song says, *"Many mighty men are lost, who could not stand, but they would have been a host for God if they first joined Daniel's band."* Since they did not join Daniel's band, they could not stand. Stanza three: *"Many giants, great and tall; who are boasting all over through the land, headlong to the end they would fall if Daniel's band confronted them."* The giants that are moving all over the place are doing so because they have not seen a Daniel's band to confront them. Beloved, do you want to belong to Daniel's band.

There are many people who come to the MFM but unfortunately, many are really not members of

You must decide whether you want to belong to Daniel's band or not; that is whether you want to do what God wants you to do or not

MFM. Attendance does not make one a member. One becomes a member when the church is inside him or her. Many people are at MFM but are not in MFM. Many people rush to MFM to quench the fire of the enemy, but God is not looking for bench warmers. He is not looking for those who are not serious with their salvation. When we do exactly what God wants us to do, there will be miracle galore.

Many years ago, I took some questions to the Lord: I told Him that we have people who come to MFM and are still committing fornication, there are people there who tell lies, there are sisters there who dress like Jezebel in the streets, and there are witches and wizards there also. The Lord said, "They are not members. Do not worry yourself about them." The Lord said they only come to make the hallelujah loud.

You must decide whether you want to belong to Daniel's band or not; that is whether you want to do what God wants you to do or not. Those who wear indecent clothes are not members, they are just coming to collect miracles.

They fail to understand that if they would follow the total teaching of MFM, God will bombard them with miracles. It is surprising to see, people come to the church wearing what they call "spaghetti," which exposes their body. It is also shocking to see men wearing chains, I wonder if they are slaves. Do you want to be in Daniel's band? *"Dare to be a Daniel, dare to stand alone, dare to have a purpose firm, dare to make it known."*

Beloved, I would like to let you know that when you are on the Mountain of Fire, you are on the mountain-top. When you climb to the mountain-top, fire will come upon you, and when you receive the fire, you become a power generator.

Every member of MFM should be able to know what to do in any given situation because it is a do-it yourself ministry. As a member of MFM, even if you have to refer people to the General Overseer or pastors, you ought to have given them first aid. If you are not able to do so, it means you are not part of MFM yet. The Mountain of Fire

and Miracles Ministries is a do-it yourself ministry, where people are not made slaves to pastors, prophets or any other person. You ought to be able to pray by yourself and get results. If you want to be in Daniel's band, you must know what you are doing.

DIFFERENT CLASSES OF SOLDIERS

There are different kinds of soldiers. Some soldiers are drivers, some are nurses; some are dentists; doctors, musicians, stewards etc. But when there is war, there are some soldiers who go to the warfront, they are called combatant soldiers. That is where MFM belongs.

During the Nigerian civil war, a certain woman went to the market, and found a grenade by

Beloved, I would like to let you know that when you are on the Mountain of Fire, you are on the mountain-top

the side of the road, and because she was a civilian, she did not know that it was a bomb. She put it on her basket of yams for her children to play with as toy. But on the way, it got detonated and in the explosion, her head went one way while her basket of yams went another way. A soldier will never do that because he will know that it is a dangerous weapon.

People complain about certain things we warn about in MFM because they are civilians. A Christian soldier can recognise a satanic weapon when he sees one. Some people were given two holes in their ears by their parents, not knowing the implication of that, they added extra holes. When we scream danger, such people do not understand. Many who think their hair is too short attach something to it so that it will be very long, when those who know the danger scream danger, they wonder what is wrong. I pray that God will open the understanding of many people in Jesus name.

Our God is the supreme excellence, God is not a failure

CHARACTERISTICS OF DANIEL'S BAND

Psalm 8:9 says, ***"O LORD our Lord, how excellent is thy name in all the earth!"*** Our God is the supreme excellence, God is not a failure. The first man in the Bible that had a qualification of the spirit of excellence was Daniel. The first thing you need to pray into your life if you want to be part of Daniel's band is found in Daniel 5:12: ***"For as much as an excellent spirit, and knowledge, and understanding, interpreting of dreams, and showing of hard sentences, and dissolving of doubts, were found in the same Daniel, whom the king named Belteshazzar: now let Daniel be called, and he will show the interpretation."***

The Lord is calling you to
pray the spirit of
excellence into your life
so that you can belong to
Daniel's band

Daniel 6:3: ***"Then this Daniel was preferred above the presidents and princes, because an excellent spirit was in him..."*** These passages are emphasizing excellence. That is the first thing you must have to be in Daniel's band.

In those passages, the Bible puts together the things that constitute excellence:

1. Knowledge
2. Understanding
3. Interpretation of dreams
4. Dissolving of hard sentences
5. Dissolving of doubts

These are things that make up an excellent spirit according to the Bible.

It is not everybody that would be born a prophet or a powerful person. In fact, the number of those born with these qualities is very few. But like Daniel, you can pray any good thing into your life. You cannot read anywhere in the Bible that God called Daniel to be a prophet like He did to Isaiah, Jeremiah, Elisha and Elijah. For Daniel there was no such call, he prayed himself into position, he prayed himself into relevance. You too can pray good things into your life and pray yourself into position. You can pray yourself into a situation where things will change. The more you pray, the more you discover, and the more you discover, the more you recover, and the more you recover, the more direction you have, and the more direction you have, the more success you have, and the more success you have the better your destiny becomes.

The first man in the Bible with the qualification of excellence was Daniel. He was the person God used for the salvation of the magicians. The king had decided to kill all of them but Daniel went to God and got the solution. He was

the same person that lions could not devour. He was a bold and fearless man. His life was yielded to God and any life that is yielded to God is automatically dedicated to quality. Only the best is good for your life. Matthew 5:14-16 reads, ***“Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven”*** The Bible says let your light so shine that God may be glorified in your life. The Lord is calling you to pray the spirit of excellence into your life so that you can belong to Daniel's band, so that you too can be a spiritually knowledgeable person.

1. **Knowledge:** Knowledge is the enemy of ignorance. It is the only thing that can kill or damage ignorance.

A certain big man in Lagos had a dream, where he saw himself in a church, and a funeral ceremony was being

conducted for somebody. As the people were singing a hymn, he sang along with them joyfully. But something said to him, "You are singing, but who died?" So he looked at the back of the pamphlet and saw his own picture there. Then he shouted, "Stop singing, I am not dead." But they just continued singing and told him it was late since he already sang with them. Before that week ran out, his wife and six children perished in a car accident along with the driver. He became destabilised and was fainting. They put him in a vehicle to take him to the hospital, and the vehicle also had an accident and he died instantly. So within a week, the whole family was wiped out because of ignorance. If he had some knowledge of spiritual warfare, immediately he had that dream, he would have risen up and said: "Father, in the name of Jesus, I scatter the evil congregation I saw now. Let the pamphlet be roasted with fire. I shall not die but live to declare the works of God." That simple two or three

minute operation would have saved his life and that of his family.

To be in Daniel's band you must be a man or woman of knowledge. Knowledge, they say, is power. Knowledge will move you forward. Knowledge will do great things to your life. The Lord is calling for the people of excellence now to belong to Daniel's band. Do not worry about those who are looking at you and are saying you look dull and unexciting. Understand that the people in darkness have no right to tell you, who are in the light, how to run your life. When the same people run into trouble, they run back to those they deride. Knowledge is part of the spirit of excellence. When

God begins to do a great thing in a person's life, the first thing that enters, his or her spirit is knowledge.

2. **Understanding:** The second thing you should imbibe, which is part of the spirit of excellence, is understanding. DO not be shallow in your understanding of the things of God. Pray to be able to understand your Bible and the deep teachings thereof, be a person of understanding.
3. **Interpretation of dreams:** The third thing, which is a constituent of the spirit of excellence is interpretation of dreams. We spend a lot of our time dreaming. A lot of people will bring dreams to you or you may dream dreams yourself. You ought to be able to sit down and decipher or decode these dreams. Your dream is a spiritual monitor that tells you what goes on in your life in the spirit realm.
4. **Dissolving of doubt:** you should be able to dissolve any doubt that anyone could have.

Would to God that all
Christians would have this
spirit of excellence within
them

The Lord is calling for excellence. By excellence, we mean the very finest, the very best of its kind. Would to God that all Christians would have this spirit of excellence within them. Then you will understand deeply why the Lord has called you, you will know what you are doing and things will be clear to you.

Wanted! Member of Daniel's band. *"Dare to be a Daniel, dare to stand alone."* In his own time, Daniel stood alone, his life was strange, his behaviour was strange, his prayer life was strange and the way he talked was strange. Everything about him was strange. Daniel did not join the crowd, he remained alone. When everyone was forbidden to pray, he prayed, and when he was thrown into the lion's den, the Lord delivered him. The king came to inquire of him and said, "Daniel, servant of the living God, is your God whom you serve day and night able to deliver you from the lions?" He answered "Live long O king, the Lord has already delivered me." And those that threw him into the den were eaten up by the lions. Would to God that

all Christians were like that. The world is going one way, we should go God's way. We do not have to copy them, they should copy us. Light does not copy darkness.

Beloved, you must be careful not to copy Christians who are worldly because you do not know their department in God's army. The combatant ones know what they are doing. That is why the major pastors who are having breakthroughs are still those who believe in holiness within and without. It is very sad to know that a lot of present-day believers know the Bible but do not know God. They know how to claim it and receive it, but are not taught about the evil power of their fathers' house. They are not taught that they are basically Africans and their fathers worshiped idols and

The world is going one way, we should go God's way. We do not have to copy them, they should copy us. Light does not copy darkness

that the idols are crying. Do not wait for the enemy to use you as a bad example, do not wait till the enemy messes you up.

You must get your bearings. A time will come when the money some people are running after so much that they do not have time for God will be put in their hands and they will not be able to close those hands. The members of the public that they want to please now and show that they are stylish will look at their corpses and run away because of the stench. They will be surprised to see that those they were trying to please will be the first to rejoice at their death. Do not allow your job or business to debar you from serving the Lord, because if you die, another person will take over. Even the children you think you are working for will start fighting over the property after you have gone, and may even kill themselves because of the property. Therefore, this is the time to readjust your life and destiny by declaring for Daniel's band. Do not bother about man's approval but God's approval. They can call you all sorts of names but

as far you know where you are going, you should not be bothered.

The safest way you can preserve your life in this kind of environment is to remain as pure and clean as God made you and shun every form of artificiality. Any attempt to modify the image of God is artificiality. Anything that you wear that does not glorify God will put you in trouble. The church of God is not a fashion parade centre, but a place where you bring the power of God down. We must try and follow the pattern of God. God told Moses to ensure that he followed the laid down pattern. If Moses did not follow that pattern, miracles would not have happened. Christians who dress indecently and use demonic materials are not helping the power of God to manifest more. Make up your mind whether you want to be in Daniel's band or not.

Beloved, stand against the following seven curses through the prayer points below.

1. Death curse. Stand against it.
2. Sorrow curses.
3. Tragedy curses.
