## The Problems of Strangers in our Midst

It is not only demons and evil spirits we fight against. We fight against all kinds of people that are half spirit, half human

**T**he world is a deep and mysterious place. I am not appealing to anyone to believe some of the things I am going to say here. Whether you believe or not, it is actually the absolute truth. Your eyes may not be open enough to see them, but it is good for me to try and explain this to you, to caution the careless and to empower those who these powers have weakened.

The world is a deep and mysterious place. I feel sorry for preachers and believers who take a simplistic view of this odd and strange world. Many ignorant and baby Christians are being cooked in the cauldron of ignorance and destruction.

The enemy strangled a person in the dream, fed the person with wine and the person woke up still tasting the wine. Then a pastor said, "Go and praise God that they are giving you wine to drink in your dream. The wine you cannot afford to drink in real life." What a simplistic view of a serious problem.

Unfortunately for present day Christianity, a lot of young people are carried away by these simplistic teachings. Many of them do not know that the battle

that would fight them is just waiting for them to grow older, because whether you like it or not, the devils that fought your parents would fight you. They are just waiting for you to get to the correct age. My fear is that by the time these young ones grow old and realise their trouble, the preachers who confused them might already be dead. These preachers give false confidence to sinners and make them double the children of hell fire.

How can someone read these passages of scripture and not know that this world is more than what we see on the surface? The Bible says in Psalm 74:20, ***“Have respect unto the covenant: For the dark places of the earth are full of the habitations of cruelty.”***

Many ignorant and baby Christians are being cooked in the cauldron of ignorance and destruction

What places are being referred to here? The Bible says in Daniel 2:22, ***“he revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him.”*** So certain things are deep and secret.

The Bible tells us in Deuteronomy 29:29, ***“The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law.”*** There are secret things in our world. The Bible tells us in Amos 3:7, ***“Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets.”*** To cap it all, the Bible now says in Ephesians 6:12 ***“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”***

How can someone read these scriptures and take the kind of simplistic view these preachers take? May the Lord have mercy

on us all, may the Lord deliver the ignorant and may the Lord deliver the young ones who hate prayers and just like entertainment, which is the enemy preparing them for attack later in life.

However, that is not what we are discussing today. Where we are going is in Genesis 6:4-5. I am going to try and explain a very serious and deep matter. ***“There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.”***

All the giants referred to in this passage, and the sons and daughters that were born from sons of God mixing with daughters of men, the summary of their activities was wickedness. If you read Genesis 6:4 in other versions of the Bible, they would

tell you that in those days Giants or Nephilim lived on earth. For whenever the sons of God had intercourse with women, they gave birth to children. Another version of the Bible says, descendants of human women and heavenly beings. Another version of the Bible says, divine beings and human daughters had sexual relations and gave birth to children.

God drove the devil and his angels down to the earth. They then took position and began to sleep with daughters of men to produce strange people. Half human, half spirit. Angels had sex with human beings and they brought unusual creatures to the earth. Abnormal human beings. This sexual intercourse between

Angels had sex with human beings and they brought unusual creatures to the earth. Abnormal human beings

angels and men gave rise to three kinds of human beings:

1. The Giants. Oversized men. Six fingers, six toes. Very tall and huge.
2. Mighty men, who were not necessarily giants, but were wicked and powerful with great influence.
3. Men and women of renown. Those who did things they were very famous for. This includes the various tyrants we have had.

These three groups of abnormal human beings introduced a lot of wickedness into the world. They were set loose on earth and they began to behave strangely. Human history is filled with this kind of people. They are the ones the Bible calls princes of the earth in 1 Corinthians 2:8, ***“which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.”***

So angels fell from heaven with lucifer in rebellion to God, then they took up positions in the

earth and became princes of the world that the Bible spoke about. They created all these habitations of darkness and wickedness. These beings then spied beautiful women on earth and began to have sex with them. So in conclusion, supernatural beings called sons of God had sex with beautiful women and gave birth to abnormal creatures who were called giants, mighty men and men of renown.

This should not be strange to you because angels come to the earth and sometimes take up the form of human beings and they teach human beings all kinds of terrible things. It is these fallen angels who taught human beings how to shed blood, how to cast spells and all kinds of wickedness. Many of the terrible things that men practice today were actually introduced by these fallen angels.

They taught men how to make weapons to destroy themselves. They taught women all kinds of adornment, jewellery and make-up; with the basic agenda to enter more into fornication and

immorality. They taught people witchcraft, astrology and casting of spells. Many of the evil things around us today were brought in by these abnormal human beings. God had to wipe them out. Although God wiped them out during the time of Noah, we find that even after the flood of Noah, we still saw giants again. So the spirits were still there operating.

What am I trying to explain to you simply? What we have read now is the origin of spirit husbands and spirit wives. What we have read now is telling you that there are so many creatures among us that are not humans. There are places believers should be careful to go to. They have destroyed so many lives. It is not everybody you see dancing at night parties that are human.

In 1996 we prayed with a man at the headquarters. He went out to a party, brought a lady home, they slept together and they slept off. Around 2 a.m. the man still wanted to have relations with the woman. As he ran his hand onto her, he felt coldness in his hand.

He opened his eyes and found that the woman on that bed was a fish from the waist down. He had slept with a fish. Marine powers. There are cases like this. They have dealt with people and spoiled so many things.

A man also came for prayers. He had married this person, but when they were going to get married the woman said, "All my family members are witches and wizards, so there is no need to pay a dowry or anything, just let's go to court." And he wedded the woman. His life turned upside down right from that day. Everything that could go wrong went wrong. He lost weight, he lost his business, he lost his job and he lost everything.

A friend dragged him to Mountain of Fire. He prayed that day and went home. To his amazement, the woman was waiting for him at the front of the house. She said, "You are coming from one place. Don't go there again. If you go there again, you will die." The man said, "Death? What do you mean by death? I'm

already dead. What are you talking about again?” He came back for more prayers. The third time he would go home, both this woman and four children vanished. There was no trace of them. It took him time to realise that he had married a spirit.

This is why God, in His wisdom, does not open too many people’s eyes. If He does, a lot of people would lock themselves in their rooms and never come out. We need to realise this and know what to avoid, be more prayerful, be more filled with the word of God and be very careful where we go, so that we would not be victims of these strangers that have been poured into our midst to confuse people.

Many may find this message difficult to understand. Some may even think it is all superstition. The truth is that I honestly wish it was superstition. Then life would have been a lot easier. Unfortunately, it is not. So you need to understand what we are talking about and know how to fight your warfare. It is not only

demons and evil spirits we fight against. We fight against all kinds of people that are half spirit, half human. We should be very careful.

There are people in our congregation that have suffered in the hands of these para-humans and those who are not really human beings. They may not be willing to tell you their stories, but we have plenty of them that we have dealt with and prayed with.

There is a man among us, I am sure he would not mind me telling you his story again. He was married but he was not born again at that time. He went to a night party, picked up this woman from there and followed the woman to her house. They locked the door and wanted to start immorality. All of a sudden there was a knock on the door. A terrible knock. He turned to the woman and said, “Who is knocking?” The woman said, “My husband.” He replied, “Your husband? But you told me you

were not married.” She said, “Sorry, it was a slip of tongue.”

The man kept banging the door. This was around 2 a.m. With the shouting and the banging outside, this man got really scared. If someone could be banging a door like this, if he entered and found him, he was finished. So he asked the woman, “What should I do know?” The woman said, “Hide under the bed.” He said, “Supposing he finds me under the bed? It would be more devastatingly dangerous!” The woman said, “Well, unless you jump out of the window.”

The place was on the second floor. So she opened the window, moved away the mosquito screen and the man jumped down. He jumped, and by the time his two feet landed on the ground, He did not find himself in the Surulere area of Lagos anymore where the house was. He found himself inside a cemetery. In the night. So he began to use the moonlight to try and find his way to the gate.

When he approached the gate and the cemetery guards saw him coming, they thought they were seeing a spirit. So they rushed back to their small room to bring out their charms and began to rain incantations on him. He said, “No, I’m not a spirit, I’m not a ghost...” They said, “How did you get here?” He told them the story. They shook their heads and said, “You are the third person this week. Go and look after yourself.” From that day, his life no longer remained the same. He had engaged himself with a para-human. These are spirits mixing with other natures to trouble the life of men.

So the first group were the giants, then the famous men and men of renown, like tyrants. The kind of wickedness that some people exercise, the crimes against humanity, the brutality and the wickedness and the lack of compassion that some people exhibit will make you know that they cannot be humans. They do not recognise any compassion. There are many of them in our midst.

So, many of us do not understand. They say, “Why should somebody do this kind of wickedness?” No compassion. They mutilate, they murder and torture people, and they do not feel anything. What we are talking about now is probably the explanation for the inhumanities of these people. We find such people all through history. Genesis 6:4 explains it.

There was a roman emperor called Caligula. A wicked soul. So wicked that he delighted in tormenting and punishing people. His greatest sport was throwing criminals to wild animals. One day, Caligula was in a place enjoying the wicked sport. When it was the turn of the lions to come out, they had run out of criminals. When they told him there were no criminals to throw to the lions, Caligula gave an instruction that all the people in the first row in the stadium should be brought to the lions. They threw them to the lions.

Somebody insulted Caligula and he brought the whole family and began to execute them one by one, starting with the father. He cut off the head. Then the mother and son. The last born was a twelve year old girl. The girl was crying bitterly as she saw what was happening. So somebody shouted, “Caligula! Our law says we should not kill any woman who is a virgin. This girl is a virgin.” Caligula smiled and he ordered the executioner to rape her there, and then kill her. Now, was this a human being?

This is what the Bible is trying to explain to us. The kind of wickedness around us. Those people who waste life anyhow have no compassion. Someone is pregnant with twins and she has attached bombs to her body. She does not care about the babies or anybody. Think about it beloved. Are they really humans? This is why the principle of Mountain of Fire is simple and straightforward: Stop them before they stop you. If you do not stop them, they will stop you.

There are places where there is high traffic of strangers in our midst. Marketplaces have plenty of strangers. This is why you must pray on your food before you eat it. Crossroads have strangers. Beaches have plenty of strangers. Cemeteries, night parties, brothels, satanic altars, witchcraft covens, criminal hideouts, abortion centres, anywhere human parts are sold, ancient gates and entrances into cities, occult centres, hospitals and police stations have all kinds of human beings. Strange ones going around. It is better to be aware and to know that they are there to terrify people, to initiate people, to plant evil things into people's lives, to issue curses and to generally destroy people.

Therefore as a believer, if you want to address these powers, you must do the following:

1. You must have a discerning eye. The kind of eye that Elisha had.

2. You must practice praying for long. Particularly praying for long in the Holy Spirit.
3. You must become a praise addict.
4. You must have a disciplined mouth.
5. You must live a fasted life.
6. You must be grounded in the word of God. Put all the words of God you hear into practice.
7. You must keep the doors of your life. Evil spirits see a person as a house. They are always interested in the doors. As a human being you must be aware that there are six openings to your body.
  - a. The opening of the ear. Be careful what goes into those ears.
  - b. The door of the eye. Be careful what those eyes take in.

- c. The door of the mouth.  
Take care of what that mouth is saying.
- d. The door of the nose.  
Take care of the kind of thing you take in.
- e. The door of the womb.  
This is a favourite door for demons and this is what is now increasing fornication to a terrible level. Demonised women are so sexually attractive that men are drawn to them like flies.
- f. The door of the anus.

You must take care of these ones so that the enemy does not use you as an experiment. There are agents in our midst whose agenda it is to penetrate through any of those doors.

6. Where is the Lord God of Elijah? Arise, pursue my pursuers, in the name of Jesus.
7. Every invisible chain on my hands, break, in the name of Jesus.
8. *[Pray this prayer point three times]* Powers saying I can never be better than this, die, in the name of Jesus.
