## I Shall Manifest

You are not created for  
obscurity. There is a  
purpose for which God  
created you

**W**hat is the beauty of a light when it cannot shine? The manifestation of light gives meaning and relevance to everything around it. You were not created just to disappear in obscurity. As you manifest, other things around you will manifest.

The problem in our generation is that many people are looking for solutions to their problems, but they are looking for them in the wrong places, and sometimes even with the wrong set of people. Would a person

who has a spiritual problem and decides to go and get a BSc. in theology find solution? He would just fill his head with knowledge that is not useful for his destiny.

I read the story of a young man who left Africa many years ago after getting his first degree in Nigeria. He went to Europe to study for his MA in theology. He did that and then went ahead to get a PhD. in theology. He then met a lady from Germany who had some spiritual problems. Because they were in the same theological school together, he started talking with this lady and the lady was impressed that he had some insight into her problem, more than all the people she had spoken to in her life.

The lady flew to Africa, because this PhD. holder in theology had gone back to Africa, and told him she wanted him to help her more. Because of the nature of the spiritual

need of this German lady, the man now said, “Well, I have been praying about your problem and I realise that the way to solve this spiritual problem you have is that we should go to the beach at twelve midnight.” The German lady did not know anything different, after all he was a PhD. holder in theology.

So they went to the beach. When they got there, the man was not praying with Psalms and he was not praying the Lord’s Prayer. He went into incantations. When the man said his incantations, some entities from the water came out. The German lady did not know anything. The entity that came out actually had some conversations with the man and they resolved some of the spiritual problems, so the German woman thought. The problems she went to Nigeria with were different from the ones she came back with. When she got back, it was not the complaints that she had before that she now had problems with.

After some months, she now met a real minister of God who ministered to her in the name of the Lord Jesus Christ and all the demons that were tormenting her left. Actually she had been married to lucifer at age four. So the minster, with the authority of

God, prayed and she was delivered. She then started asking questions about what happened with that PhD. holder. What she did not know was that before that man who had a PhD. in theology went to any university at all, he was the son of an herbalist.

His father had dipped him into some occult things from when he was little. So the demons he went to conjure by the sea had been working with the man. His PhD. did not stop anything. The demons allowed him to get his PhD. in theology. He was also teaching and actually had subordinates because he was lecturing in a seminary in Nigeria, but the demons that he grew up with were inside him.

This lady went to him for help but got something else. A lot of people have problems and go to the wrong places for solution. Instead of solutions, they get complications. Much later, the PhD. man himself sought help when he realised that he had issues with his background, and he was helped. That was when the PhD. knowledge of theology was made relevant in his life.

1 Corinthians 4:20 reads, **“For the kingdom of God is not in word but in power.”** You may ask what power

this passage is talking about. Luke 4:1-2, ***“Then Jesus, being filled with the Holy Spirit, returned from the Jordan and was led by the Spirit into the wilderness, being tempted for forty days by the devil. And in those days He ate nothing, and afterward, when they had ended, He was hungry.”*** Verse 14-21, ***“Then Jesus returned in the power of the Spirit to Galilee, and news of Him went out through all the surrounding region. And He taught in their synagogues, being glorified by all. So He came to Nazareth, where He had been brought up. And as His custom was, He went into the synagogue on the Sabbath day, and stood up to read. And He was handed the book of the prophet Isaiah. And when He had opened the book, He found the place where it was written: The Spirit of the Lord is upon Me, Because He has anointed Me To preach the gospel to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed; To proclaim the acceptable year of the Lord.”*** Then He closed the book, and gave it back to the attendant and sat down. And the eyes of all who were in the synagogue were fixed on Him. And He began to say to

***them, “Today this Scripture is fulfilled in your hearing.”***” The passage is talking about power of the Holy Spirit. He said ***“Today...”*** because that was the beginning of the manifestation of Jesus.

Good readers of the Bible would know that Luke 2 recorded where Jesus and His family went to Jerusalem to worship and they forgot Him there. He was only conversing, but it was not until He was filled with this power that He manifested. The fact that you are created to showcase the glory of God is not enough. You need the knowledge of that fact, but it is not enough. The fact that you go to church, read your Bible and pray is not enough. Until the power of the Holy Spirit is upon you, your manifestation would be challenged. Men will rubbish your manifestation.

It is true that Jacob was approved even before he was born, but do you know that Jacob did not enter into the manifestation of God for his destiny until he had that fight with that angel. When he wrestled with that angel, he received power because the Bible says in Genesis 32:28 that he had power with God and with men. There is a power for manifestation.

It is not enough that you are a good man. It is not enough that you are a gentle woman. The devil does not want the life of God in you to manifest. The devil is not interested in your face, handsomeness or beauty. What the devil is interested in is to stifle and kill the life of Jesus Christ in you. Jesus Christ said in John 10:10b, ***“I have come that they may have life, and that they may have it more abundantly.”*** That life of God in you is supposed to be growing. As long as that life is growing, there is no power that can make you not to manifest.

You are not created for obscurity. There is a purpose for which God created you. As the sun manifests, no power can contend with the sun. When it is time for the moon to show up at night, darkness cannot say it cannot show up. The moon and the sun manifest and there is no power in the universe that can stop their manifestation. When the sun majestically comes up in the morning, if you do not draw your blinds, you are the one who would not sleep. It does not bother. It does not concern the sun. When your manifestation is made known, everyone around you that God has ordained for you will locate you.

## WHAT DOES IT MEAN TO MANIFEST?

1. It means to uncover. There was something that was making the rounds some time ago. A homeless man living on the street had opportunity to sit in front of a piano. By the time people began to hear what he was playing, what was coming out was serious. They asked, “Can a homeless man play like this?” He was like a concert pianist, but he was on the street. Something covered him, but by the time he had opportunity to get on that piano, he was uncovered. Some people immediately wanted him to come and teach some of their students.
2. It means to reveal or to be revealed.
3. It means to positively show up. Everybody scatters when some people show up. Jesus Christ was not like that. From the time Jesus Christ was made manifest with the power of the Holy Spirit, He always drew a crowd. People were always going to where He was. It was only Jesus Christ that would ask people to come away

for a retreat and not provide food for them for three days. They were with Him for three days and when He realised, He told His disciples they could not send the people away like that after a three-day retreat. They needed to provide food for them. The disciples said two hundred denarii could not buy food for the people. He asked them what they had. That was when he multiplied the bread that the little boy had and fed them. This was because favour was on His life.

4. It means to display the glory that is in you. Everyone has a glory that God has created them with. If you give some people the opportunity to sit in front of a computer, what they would do on that computer would daze you. Give some people a microphone to sing, you would not want to hear any other person sing again. Give some people some opportunity to put numbers together and work with you, they will make you a mathematician in less than two hours. This is because there is something in them that God has given them by which they must be glorified.

5. It means to show up with quality accomplishments. Not just ordinary accomplishments. Not the ones that would not last a generation.

### **CLASSIFICATION OF PEOPLE ON THE JOURNEY OF LIFE**

Our General Overseer, Dr. D. K. Olukoya, has a classification of people on the journey of life. This is how he classified them:

1. Those who never discover who they are. They never discover themselves, they have nothing to manifest and so they are wasted.
2. Those who do not have a clue about life. They do not know what life is. They have no spiritual eyes and have understanding of nothing.
3. Those who just watch things happening. These ones are spectators. They are the ones who would tell you the latest show coming to town but they never think and ask themselves when people would begin to watch them too. No, they are watchers and just go around. They are spectators.

4. Those who make things happen. Things begin to happen when some people show up.
5. Those who are just struggling to survive. There was a man living in Lagos, Nigeria who had five children. He brought them from his village to Lagos himself. He got married from his village and brought the wife from the village to Lagos. They had five children in the same one bedroom house. So there were seven people in one room. His children grew up and left home but they were not doing well themselves. They visited their parents in that one room.
6. Those who are average. They are living and not troubling anybody, but let nobody trouble them too, otherwise there would be commotion.
7. Those who have enough to sustain their lifestyle. Whether they are living in a two bedroom apartment, they are okay. The landlord would not come and harass them. If they own a mortgage, they are okay. Any upward change in lifestyle would create problems.
8. Those who are significant. They can live, sustain their lifestyle and help other people. These are the ones who have manifested and who will continue to manifest.

By the time the man turned seventy, the children were still visiting him there. They were the ones negotiating the rent with the landlord. The landlord said they had become like family so they should pay when they had the money. The children were raised in one room, got out of the one room, but could not afford anything to take their parents out of the one room. They were just surviving. They did not manifest.

Joseph manifested among his brothers. Daniel manifested among his own peers. People drew from them but did not empty them. A person that manifests is drawn from, but never runs dry. Prophet Samuel manifested. It was not easy in that house where Hophni and Phinehas were, but he manifested. Israel drew on his spiritual strength, but he remained. Enoch manifested.

Abraham manifested. John the Baptist manifested. He was living in

the wilderness in obscurity until the day of his showing, but the moment he showed up, the moment the living God revealed him to Israel, He became a voice in Israel.

Elijah manifested to turn the tables against the enemies of God and in favour of the living God. Esther manifested. All hope was lost when her parents died and she was left by herself, but her uncle picked her up and trained her. She was a good girl and listened to her uncle. When the time of manifestation came, the power of the Holy Ghost moved her.

Ruth manifested. It was like sorrow was chasing her. She got married to this man who was attached to Yahweh, the God of the Jews, and everything was okay until the man died suddenly. Her life was turned upside down but she was persistent. The hand of the living God helped her and she manifested.

There is a place where God has occasioned every life to manifest. Romans 8:19 says, ***“For the earnest expectation of the creation eagerly waits for the revealing of the sons of God.”*** There is an earnest expectation for what God has deposited inside of you to show up. Creation is earnestly waiting for

manifestation of that which is within you.

There was a woman called Mother Theresa of Calcutta. She is a Roman Catholic Church saint, so they call her. The way that woman lived her life, she manifested. She manifested to the point that nations now talk about the Missionaries of Charity that she founded to help those people that no other person can help. She devoted herself to it. Nobody thought that it was anything when she was working in India, but she was touching lives.

She had some quotes. She said, “Spread love everywhere you go.” “Let no one ever come to you without leaving happier.” “Peace begins with a smile.” They said she always smiled, no matter the condition she met you. “If you judge people, you have no time to love them.” She manifested.

Jesus Christ manifested. God wants you to manifest.

### **POWERS THAT WOULD MAKE YOU MANIFEST**

1. The power of the Holy Spirit. With the power of the Holy Spirit, you go to a deep level of

understanding of the next power (below).

2. The power of divine relationship. John 1:12 (KJV) says, **“But as many as received him, to them gave he power to become the sons of God...”** The power of that relationship is why you can cry Abba, Father. It is not everybody that can cry Abba, Father because some people are just walking in the realm of “I am created by God.” They do not have a divine relationship.
  
3. The power of the Word of Life. Jesus Christ said in John 6:63b, **“The words that I speak to you are spirit, and they are life.”** Never accept death when you have the power of the Word of Life. There are some situations that confront some people and they begin to pray against them, when all they need is just to speak the Word of Life into them. A lot of believers complain that they have been praying about an issue for so long, then they should speak the Word.

When Jesus Christ in His living word says in Mathew 17:20, **“...if you have faith as a mustard seed, you will say to this**

**mountain, ‘Move from here to there,’ and it will move; and nothing will be impossible for you.”** It is not the time for you to go there and pray “fall down and die,” no. Tell the mountain to move. Because a lot of people do not know the power of the Word of Life, what they have is just their sentiments and emotions. Some people cry before God. When you are done crying, then speak the Word. You can cry if you want to let some things out, but that crying does nothing if you do not address the issue.

When Moses got to the Red Sea and the people around him were running everywhere and talking, and Pharaoh and his team were coming, Moses himself was confused. He went to God and started to talk to Him. God asked Moses why he was talking to Him and told him to divide the Red Sea. God was not going to do it for him, he needed to do it. Moses stretched the rod and it was divided.

There is the place of the Word of Life. Put it in your spirit and then you will manifest by it. Do you know that Paul was not known? A lot of people did not even see

him, but they said his words were weighty. This was because the man carried the Word of Life. Let the power of the Word of Life speak through you and you will manifest.

4. The power of obedience. Show me a man who has made it a point to always obey God and I will show you a person that God will not abandon. So if God does not abandon you, where is that darkness that will cover you? Where is that obscurity? It is true that God called Abraham out of his father's land, leading to his initial obedience, but God required consistent and continuous obedience. By the time God asked Abraham to give Him his only son, Isaac, and Abraham did it, God then said He now knew that Abraham feared Him. Because of that, God said He was now going to establish the covenant that He had made with Abraham. That is why we sing "Abraham's blessings are mine." Do you know why we sing Abraham's blessings are ours? It is because Abraham obeyed God.

5. The power of divine gift. The gift of God in your life. Proverbs 18:16 talks about the gift of God in your

life, "***A man's gift makes room for him, And brings him before great men.***" Was Joseph promoted to the throne in Egypt by Pharaoh just like that? It was the gift of interpretation of dreams inside of him that brought him there. Joseph exercised his gift. Release the power of that gift in your life and let God showcase you.

6. The power of purposeful prayers. Daniel prayed purposefully. The prayers of Daniel were spot on. They were according to the will of God and Daniel manifested because of that.

There is this short poem which says,

*To be loved is great,  
To love others selflessly is greater,  
To love God with all your heart,  
soul and mind is the greatest.*

*To be a Christian is great,  
To win souls is greater,  
To reign with Christ eternally is the greatest.*

*To be married is great,  
To build your family around God's  
principles is greater,  
To make God joyful over your  
family is the greatest.*

*To be alive is great,  
To be alive with good purpose is  
greater,  
To be alive doing the will of God  
perfectly is the greatest.*

*To have riches is great,  
To use riches wisely is greater,  
To enrich the lives of people in the  
world and the kingdom of God is  
the greatest.*

Which one do you prefer? To do the greatest thing that would make God to be your God or to just settle for the great or the greater thing.
