## The Mystery of the Second Touch

There is a touch that can bring wholeness to the life of a man. There is a touch that can change a man's story forever

**M**ark 8 is a strange and mysterious portion of scripture. We read from verse 22, ***“And he cometh to Bethsaida; and they bring a blind man unto him, and besought him to touch him. And he took the blind man by the hand, and led him out of the town; and when he had spit on his eyes, and put his hands upon him, he asked him if he saw ought. And he looked up, and said, I see men as trees,***

***walking.”*** This meant that his sight was not perfect yet. He needed a second touch.

Verse 25, ***“After that he put his hands again upon his eyes...”*** You cannot read anywhere else in scripture where this happened because when Jesus Christ healed, He would say, “Be healed” and he would touch the person. But this case involved three activities. He took the man out of his town, he spat on his eyes, and He touched him. We continue in verse 25-26, ***“...and made him look up: and he was restored, and saw every man clearly. And he sent him away to his house, saying, Neither go into the town, nor tell it to any in the town.”*** He told the man not to even share his testimony in that town.

There is a touch that can bring wholeness to the life of a man. There is a touch that can change a man's story forever. There is a touch that can clarify the destiny of a man. There is a touch that can elevate a man. There is a touch that sets a man on the path of destiny and on the path of clarity. There is a touch that can make you who the Almighty wants you to be. There is a touch that can break you free from all the cobweb spirits surrounding you. There is a touch that can rescue you from the dungeon and set you on the throne. There is a touch that can remove you from the University of the Tail and put you in the University of the Head. There is a touch that can give a man effectiveness and uncommon progress. There is a touch that can rewrite your story forever.

A wrong location can affect a person permanently. A wrong location can jeopardize the program of God for a person's life

Bethsaida was a city that Jesus had issues with. He lamented seriously upon Bethsaida in Matthew 11:20-21, ***“Then began he to upbraid the cities wherein most of his mighty works were done, because they repented not: Woe unto thee, Chorazin! woe unto thee, Bethsaida! for if the mighty works, which were done in you, had been done in Tyre and Sidon, they would have repented long ago in sackcloth and ashes.”*** The man was in the wrong location.

A wrong location can affect a person permanently. A wrong location can jeopardize the program of God for a person's life. Many people would have been great, but their locations limited them. Many people with great potential would have been world movers and world shakers, but their location dislocated them. Their location brought them sorrow, tragedy, and frustration. It would seem to me that some people will continue to wallow in trouble and tragedy unless they get a divine relocation.

They brought the man in the passage above to Jesus. Jesus is the King of Kings and the Lord of Lords. All power belongs unto him. But Jesus then took a strange step. He led the man out of town. Could Jesus not have healed him where he met him? Could He not have just said, "Receive your sight?" He then gave the man a final, curious instruction. He sent him to his house and said, "Do not go to that town. Do not tell anyone in that town." A town that limits a person. A town that buries a person alive. A town where people see men like trees. A town that cripples a person. A town that will not make a person become what they want to be. A town that does not allow a person to see their future. A town where evil relationships have caged a person. A town that will not allow you to see your way clearly. Jesus took him out and gave him that second touch.

The songwriter said in that popular song, *"Somebody touched me, somebody touched me, somebody touched my soul. When I was praying, praying to my Father, somebody touched my soul."*

No matter what God was doing in your life, anytime you return to some locations, what God has done in your life quenches. Even if God was to bless you in the situation in which you were, it would be like pouring water into a basket. This kind of town may not be a physical geographical location. It may be a relationship. It may be an association where anytime you get fire from God and you return to that place, the fire quenches. It may be a boyfriend or girlfriend. It may be a sugar daddy. It may be an old friend. Anytime you make fresh decisions for the Lord, and you encounter this your friend, the fire quenches and you go back to square one.

Beloved, location will determine whether your allocation in life will come to you or not. Your location

No matter what God was doing in your life, anytime you return to some locations, what God has done in your life quenches

can either dislocate you or dislocate your destiny. Some come crying saying, “God, what is happening to me? Why do I always begin again and begin again? O God, look at me. Why is my journey so zigzagged?” There is a location God wants to remove you from.

Bethsaida in this passage means a place that swallows miracles. Bethsaida in this passage means a place where God has done so much for you, but you have not repented. Bethsaida in this passage means a lukewarm spirit. Revival comes again and again but you do not key into it. Bethsaida means the place where God miraculously saves you from an accident, but you do not yield yourself to God. A place where God heals you from sickness, but that does not draw you to God.

Jesus took the man by the hand and led him out. His vision had been so destroyed in that place that even after the first touch he could not see enough. Jesus had to touch him again. Many of us would have had touches in the past. Maybe that touch in the past did not resolve anything. You need

Bethsaida in this passage means a place that swallows miracles

prayers to cry out for that second touch that will bring clarity. So, cry to the Lord saying, “Father, I want a second touch.” Without that second touch, you will continue to see men as trees. When you begin to see men as trees, they will make your life hell on Earth.

If you want certain things to happen in your life, there are certain places you need to be. If you want certain things to happen in your life, there are certain places you should not go. If you want Jesus to do something powerful in your life, there are certain places you should not be seen as a child of God. They may be very nice places, but you should not be seen there because, as far as God is concerned, they are Bethsaida. The hand of God moves in your life very well in places where you are supposed to be.

There is a touch that can give a man effectiveness and uncommon progress. There is a touch that can rewrite your story forever

The first thing you need to do is to get out of your Bethsaida. Repent before the Lord. Then ask for a second touch. The second touch of his power. All the prayers at the end of this message are targeted towards receiving that second touch.

A lot of people come to church, they receive this first touch, and then they sit at home. They receive the first touch and then you do not see them again for years. The first touch that they received was a touch to just open them up. It just made them see men as trees. It was not clear yet. The breakthrough was still epileptic. The success was still epileptic. But by the time the second touch gets into position, which I believe will be your lot, you begin to see clearly.

The Bible says men ought always to pray and not to faint. As you pray the prayers below, spirits that are in prison will be set free. The cage of envious witchcraft shall be broken to pieces. You have not harmed anyone, but they are just against you out of envy. As you pray these prayers, if there is an evil agent following you about and scattering what you are doing, or if there are birds of darkness flying after you, they will be put to an end. As you pray these prayers, if your destiny is somewhere else but the devil has tied you down in another location, the evil rope tying you down shall be broken to pieces. Do not joke with these prayers. Pray like a man or woman from another world.
