Wasting Satanic Mandates

The intention of the devil is to steal, to kill, and to destroy. His intention is to waste and to destroy

It may not be too clear to a lot of people, even within the church, why God allows some evil things to happen. The devil is grievously wicked. It is not as if God does not have what it takes to cage the devil; it is just that the devil's appointed time is set. So, while the wickedness of the wicked persists, we need to learn how to take authority to waste that which belongs to the devil.

In John 10:10a, Jesus Christ, who will not tell anybody a lie, declared unto men what the devil does, ***"The thief does not come except to steal, and to kill, and to destroy."*** The intention of the devil is to steal, to kill, and to destroy. Basically, his intention is to waste and to destroy. The Aramaic meaning of the word destroy is *chabal*, which means to bind, to bring forth with pain, to corrupt, to offend, and to spoil. The Hebrew meaning of the word is to ruin, to hurt, and to injure.

Prayer Interlude

Every power that has the mandate to injure the nations and families will exempt your family, in the name of Jesus Christ.

The enemy comes to steal, to kill, and to destroy. Dark forces work against

their targets. When they want to steal a person's joy, they work against that person covertly or overtly. They work against the person openly or secretly.

Prayer Interlude

**Any power that is working
against your joy, Heaven will
destroy them, and they shall
be wasted, in the name of**

HOW SATANIC MANDATES OPERATE

1. When the satanic mandate of destruction shows up, it speaks chains into people's lives. Many people do not know that these powers can bind a person by speaking chains into their life. Invisible chains have held so many people down.

Prayer Interlude

**Every invisible chain binding
any aspect of your life to
darkness shall break, in the
name of Jesus Christ.**

2. When satanic agents want to destroy a person, they raise demonic judgment against that individual. They can raise demonic judgments against a person, a family, or a whole nation.

A little girl was asked some time ago, "Why is your dad suffering so much?" The girl smiled and told the pastor who was asked her, "Daddy is a dead handsome man." Do you understand what that means? Her father was working and still alive, but she said he was a dead handsome man. That means he could have all the glory and splendor of goodness, but the goodness will not manifest. It is the same thing that curses do to a person. Curses take away blessings from a person. When people see the person, they say, "You should be okay. You look blessed," but the person is empty.

Prayer Interlude

**Powers calling me dead
handsome or dead beautiful
while I am still alive, die, in
the name of Jesus.**

3. Satanic mandates can manifest by anointing a person for harm. They put their oil or approval upon the person. It may not be a physical thing. They just put their mark upon a person for harm or for injury, so that when some people see that person, they will injure them.

There was a shooting that took place in downtown Toronto a couple of years ago. Some people were sitting in a food court when somebody came in and started shooting. Some people escaped while some others died unfortunately. One of those who narrowly escaped was a young lady. The incident left her scared. She later left Canada to go visit her boyfriend in the U.S.

When she got there, the boyfriend said, "Thank God that you escaped. Let us just go out and have a nice time." They went to the movies. While they were in the movie theater, a gunman came in and started shooting again and unfortunately, she was killed. This is how a satanic mandate works. Her life was terminated.

Prayer Interlude
Every satanic mandate
appointed to wreck my
destiny, die, in the name of

4. Satanic mandates promote affliction. Satanic mandates cage glory. Every man and woman created by God has a glory. But it is not every glory that manifests

because satanic mandates go around to cage them.

Our General Overseer told us the story of a young boy. When he was born, some dark people came to his naming ceremony and someone heard two of them arguing and saying, "This baby has seven stars, and you want to take everything? You take five and let me take the remaining two." This was while the baby was still being christened. They were fighting over his stars and sharing them amongst themselves.

One of these people who shared the stars of the boy later gave his life to Jesus Christ and started attending our headquarters church in Lagos, Nigeria. One day, on his way to church, he saw the boy whose stars they had stolen living under a bridge. He came to church sorrowful. He knew what he had done when he was still in darkness, but He could not reverse it. The boy was now living under a bridge because his glory was stolen.

glory, scatter, in the name of
Jesus.

5. Satanic mandates can introduce destructive confusion into a life. They can also introduce destructive confusion into relationships. There are so many marriages that have been ruined this way. They introduce confusion into people's lives so that they keep running after things they want but do not need. They will keep amassing their wants while their lives are wasted. Your life will not be wasted, in the name of Jesus.

6. Satanic mandates introduce dark visions and revelations. The book of Jude calls them filthy dreamers or filthy dreams. The dreams such people have will not glorify God in their lives. They will keep having filthy dreams. When a person does not have a correct revelation of the God-given purpose of their creation, that is a satanic mandate confusing them.

It was the same thing that happened in the Garden of Eden when the serpent came to Eve and said in Genesis 3:1b-6, ***"Has God indeed said, 'You shall not eat of every tree of the garden'?"***
And the woman said to the serpent, "We may eat the fruit of

the trees of the garden; but of the fruit of the tree which is in the midst of the garden, God has said, 'You shall not eat it, nor shall you touch it, lest you die.' "

Then the serpent said to the woman, "You will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

So when the woman saw that the tree was good for food, that it was pleasant to the eyes, and a tree desirable to make one wise, she took of its fruit and ate. She also gave to her husband with her, and he ate." As if she was foolish before. That is the kind of thing satanic mandates introduce.

7. Satanic mandates promote the arrow of darkness operating in a person's potential.

THE MANIFESTATIONS OF SATANIC MANDATES

What are the things that manifest when a satanic mandate is in place?

1. The life will be beautiful but not attractive. If this happens to a single person, the only people who will be attracted to that person will

be married individuals. If it is a single child of God looking for another child of God to marry, the only people who will come around will be chronic unbelievers. If this person is in business, they will often attract scammers who may be advising them to cheat others. The life will be beautiful, but not attractive.

2. The person will be physically present but never available. The person would be taken out of commission when good things need to manifest. When good things are being distributed, the person may wait their turn like everyone else, but just as the goodness is about to manifest, they may say, "Excuse me, I need to use the restroom." While they are gone, the goodness is distributed. When they return, they are told it is over.

Prayer Interlude
Satanic mandate that does not want me to be available for goodness, die, in the name of Jesus.

3. Unfruitfulness will be the order of the day. The person may be

hardworking, but the profit will not show.

4. There will be three levels of sickness: sickness of the spirit, sickness of the soul, and sickness of the body. If the satanic mandate is not checked, it will desolate that person. Desolation occurs when the person keeps drawing blanks in the issues of life.
5. There will be rage against that person. They will not be able to explain why people rage against them or why people do not want to see their face. It is because a satanic mandate is in place.
6. The person will become a candidate for tragedy. Tragedy will constantly locate the person everywhere.
7. It sometimes leads to poverty. This may be poverty of ideas or poverty of opportunity. It is the opportunities you take that lead to greatness.
8. If care is not taken, death may occur. Because the devil has come to steal, to kill, and to destroy.

Satanic mandates shall be terminated in your life in the name of Jesus Christ.

YOU MUST MANIFEST

The purpose and intention of God is that you will manifest. Everyone is created for the manifestation of the glory of God. We are created in the image and likeness of God, so you must manifest.

Some people pray some prayers in Nigeria and say, "All my foreign benefits, come to me." But they are missing the point. They have not even received their local benefits but are talking of foreign benefits. Most of the "foreign benefits" they pray about are their family members overseas.

The real thing is this: you must be heavenly connected. If it was all about local versus foreign benefits, where would the benefits of those who are already overseas come from? The place where your benefit should come from is from heaven. You will not be local when you begin to manifest because we will all shine as the stars of heaven. We are created to shine like the stars of heaven. No one will say the stars of heaven are local. Anywhere the stars show up, they are seen all over the world. That means you will not be local, in the name of Jesus Christ.

Some people need to change their mentality. People say the sky is the limit. The sky is not the limit for anyone who is genuinely born again. Jesus Christ is our limit, and He is seated in heavenly places. When someone says the sky is the limit, they are actually limiting you. You have flown in an airplane before and gone above the clouds, and they say that is your limit. It is a glorious thing when Jesus Christ is your limit. Jesus Christ is everything to us.

Prayer Interlude

Every mandate of the wicked that says you will not manifest as God intended you to manifest shall be wasted, in the name of Jesus Christ.

HOW TO WASTE SATANIC MANDATES

How do you waste satanic mandates?

1. **Obey God:** You cannot serve God and Mammon. If you do not obey God, then satanic mandates will prosper.

Some people may ask, "How do I obey God? Because it sounds so vague?"

The first obedience you need to give to God is for your redemption. Make sure that you are sincerely redeemed. Make sure that you are born again. A lot of people gloss over this and say they already attend church. It is not about church attendance. Fellowship comes after you are saved. Acts 2:14b says, ***“And the Lord added to the church daily those who were being saved.”*** You are supposed to be added.

So, obey God in getting saved. Romans 10:9-10 says, ***“That if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.”***

Your second obedience is that you must obey whatever He says to you. The word of God does not come to anyone haphazardly.

- In your relationship with God, God is looking for those who will worship Him in spirit and in truth. Obey that instruction.
- In your relationship with other people, love your neighbor as

Jesus loved you. Obey that instruction. Do you know that if you love your neighbors as Jesus Christ loved you, there are so many things you will not do against them.

- Another thing you must obey is to meditate on God’s Word.

These are all simple and straightforward things.

- Pray without ceasing. Anyone who is not praying acceptable prayer unto the Lord is arrogant. It is a sign of arrogance. When you pray, you are saying, “I acknowledge You as the sustainer of my life, O God.”

2. **Exercise Divine Authority:** The next thing you do after you obey God is to exercise divine authority. James 4:7 says, ***“Therefore submit to God. Resist the devil and he will flee from you.”*** Do you know that if you do not obey God by submitting to Him, resisting the devil will be impossible? A lot of people want to exercise their authority over the devil, but cannot because they do not submit to God. Therefore, submit

to God, resist the devil, and he will flee from you.

We need to waste satanic mandates. If you do not waste satanic mandates, then they will prevail

Exercise your divine authority over the mandate of the devil. Jesus Christ said in Luke 10:19, ***“Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.”*** He was giving us authority to trample. If you do not trample on them, you are not doing what you ought to be doing. You need to trample on them and that means you need to walk on them.

A story was told of Archbishop Benson Idahosa, the powerful man of God from Benin City, Nigeria. When he was starting his ministry in Benin Township, the Lord told him to go to the major roundabout in the city and conduct a prayer vigil there. The man went there and started his vigil. He was riding

a bicycle at that time. So, he would ride his bicycle, park it, and conduct his prayer vigil at the roundabout.

He did this on the first and second day. When he arrived on the third day, he met some items at the roundabout. They were local sacrifices placed in clay pots. Someone had put them around the place. It should normally not have been scary, but they had written his name on every sacrifice they put there, telling him it was for him.

When he arrived on his bicycle, he looked at those things and could not even speak in tongues. He walked around and saw his name written on the sacrifices. He wanted to take his bicycle and run back home but the living God told him, “If you go back home, you are done for. Go ahead and conduct the vigil. I am giving you a number of days for the prayer vigil.”

So, he started walking on the sacrifices and conducted his vigil. He continued until he finished the days that God gave him. That was when his ministry took off. He took authority. He exercised authority. He trampled.

I am very sure that some believers would say, "I trample upon the serpents and scorpions," but when they see a rat, they run away. They say, "I just hate rats," Yes, it is true, you hate it. The Scripture says trample.

When the Scripture says, "We wrestle," it tells you this is something that you engage in. When it says you should trample, it is not something that you just say you do by faith. It is okay if you do it by faith, but when you are only doing it by faith, the physical one will later come. When it comes, you must be able to trample upon them. But you must submit unto God before you can resist the devil.

- 3. Claim your mandate:** After you have exercised your authority, then claim the mandate of heaven for your life. A lot of people do not press on to claim the mandate of heaven for their lives. Jesus Christ was approached the same way Eve and Adam were approached by the devil, but He stood His ground. He declared and claimed the mandate of heaven for His life. Every time He was asked, He claimed the mandate of heaven for His life.

When people wanted to wrongly categorize John the Baptist's life, he corrected them and said, "I am not the Messiah. I am just the voice that was sent ahead of Him to cry in the wilderness. I am not the Messiah."

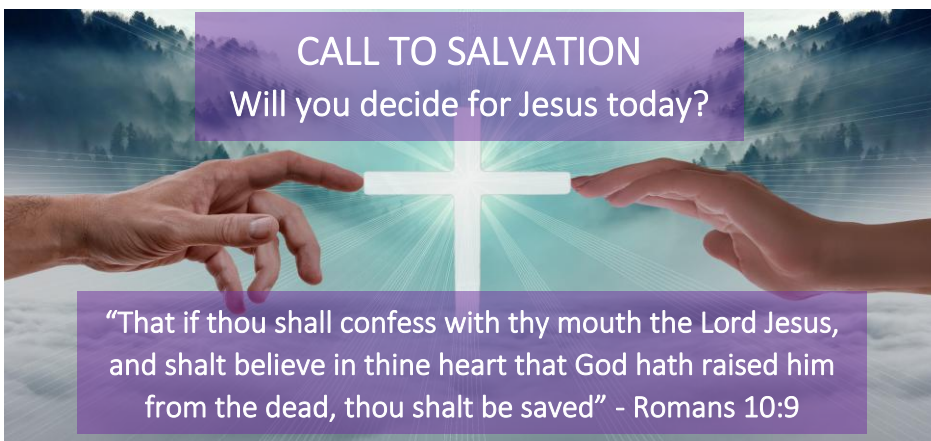

Claiming your mandate is a critical part of you standing in that which God has called you into. A lot of people do not claim it. A lot of people say, "Well, I know I am called to be a preacher." You are a preacher, and yet you are not preaching. You say, "Well, God will open the door." The door is already open. Enter it.

So, claim your own heavenly mandate and God Himself will begin to establish you, in the name of Jesus Christ. We need to waste satanic mandates. If you do not waste satanic mandates, then they will prevail.
