## Wicked Powers, Wicked Weapons – Part 2

Satan does not flee from those who do not resist him. Satan does not respect peace agreements. Satan only recognizes declarations of war and violence

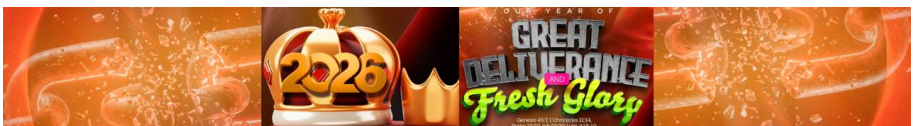

**W**e continue our series, Wicked Powers, Wicked Weapons. We began this a while ago, and I explained to you certain deep principles on how to be a person of victory. We read Psalm 74:20, which talks about the dark places of the earth being the habitation of cruelty, and Ephesians 6:12, which talks about spiritual wickedness in heavenly places.

Let us now go to 1 John 5:19, which puts a seal on this matter: ***“And we know that we are of God, and the whole world lieth in wickedness.”***

Last time, I explained to you that there is a lot of wickedness going on now. Wicked powers have increased their activities amongst men, and it is becoming a very terrible situation. How can a fellow human being take a bottle of acid and pour it right on the face of another human being, burning the face and spoiling it forever? What kind of wickedness is that?

What kind of wicked world is this, where someone would carry a baby inside a plane, having removed all the internal organs of the baby and filled it with hard drugs to take across to another country? What kind of wickedness is this, where an 80-year-old man confesses to wizardry and witchcraft, and that he has donated the marriages of all his five daughters so that they would never marry.

A lot of strange and wicked things are going on in our world, and we need to address them.

There is no point in crying day and night — *"Why is my life like this? When will things be okay? Am I the only one? Why are these powers refusing to let me go?"* That will not solve any problems. The Bible calls them wicked powers, and they are very wicked. Wickedness is when you have offended nobody and you did nothing wrong, but you are being attacked out of envy or for other reasons. Pure wickedness.

Satan does not flee from those who do not resist him. Satan does not respect peace agreements. Satan only recognizes declarations of war and violence. Satan is not worried about most of the activities you do in church. The only time the enemy trembles is when you get on your knees and begin to use your weapons. Satan is not a gentleman. He does not respect negotiations. He respects only those who defeat him in a fight.

Whether you like it or not, something is at stake in every conflict and every battle you face. Battles arise because there is something that belongs to you that the

Something is at stake in every conflict and every battle you face. Battles arise because there is something that belongs to you that the enemy wishes to take away.

enemy wishes to take away. No battle is for nothing. Satan is not an entertainer.

Therefore, if you are living in a violent environment, you must be violent. If not, you will be wasted. It is insane to not be insane if you are living in an insane environment. If you are living in a strange environment and facing a strange, mysterious, and deep spiritual enemy, you too need to offer strange prayers and not normal prayers anymore. Mysterious prayers. Deep prayers. You cannot expect to survive in a mysterious environment without being mysterious. You need a mysterious approach to survive in a mysterious world. Prayer is that weapon of war.

Do not forget, beloved, that Satan has an army. The wicked are members of that army of Satan. The wicked enter into covenants with Satan to deal with all those who claim they love God. They are faithful servants of our enemy the devil. They are apostles of Satan. The Bible calls them strange children, satanic princes, who fulfill the agenda of their master Satan.

This is a serious matter.

## THE WICKED WEAPONS

We began last time to look at the wicked weapons to deal with wicked enemies. The first weapon I covered last time was **divine carpenters**. The second was the **flying roll** or **flying scroll**. If anything has

been stolen from you, that is the prayer to recover it. If your husband has been stolen, send the flying scroll after them — it will turn the strange woman upside down. The third weapon was the **ravenous birds**. God has his own drinkers of blood. If eaters of flesh and drinkers of blood are after you, the best method of defense is attack. Send those ravenous birds of God after them.

#### Weapon Four: Divine Wasters

Weapon four is found in Isaiah 54. This is a very powerful weapon that we rarely use. Do you want your life to reject the voice of the enemy? Do you want your adversary to end up planning your celebration? Isaiah 54:16 says: ***"Behold, I have created the smith that bloweth the coals in the fire, and that bringeth forth an instrument for his work; and I have created the waster to destroy."***

God has a group of weapons called wasters. When you set them in motion and provoke them into activity, they destroy without remnant. It is a tragedy when we have these weapons and we do not use them.

#### Prayer Interlude

*[Raise up your right hand and let your voice be loud] I release divine wasters against powers that are my wicked enemies, by thunder, in the name of Jesus*

That is why every day I feel sorry for any person, personality, or power fighting the Mountain of Fire and Miracles Ministries or its members. Because there are wasters assigned to defend the interests of God in all members of Mountain of Fire. That is, wherever you are, you can release wasters against powers that are your stubborn enemies.

That prayer above is not a joke. It was the prayer I taught some people many years ago before the establishment of Mountain of Fire. We were part of an organization called the Scripture Union in those days. I am proud to say that I was part of them. After school, we would wait, sing, praise God, and learn the Bible. In the school compound, there was a tree with a white wrapper around it. Every month, a priest would come wearing a white wrapper and kill all kinds of animals beside that tree, and the school compound would be left smelling. But the teachers, and even the principal, were afraid. Nobody could go near it for fear of those evil men.

One day, at the Scripture Union meeting, a decision was taken to cut down the tree. They did not tell any teacher, principal, or anyone. They decided to cut the tree down. They sought counsel: "Brother, can we cut it down?" The answer was yes. "After cutting it down, what do we do?" The response was: "Send the wasters after anyone who wants to protest." "How do we send the wasters?" The reply: "Pray this set of

prayers". One of those prayers given is the one you just prayed above. There were two more.

So, these students sang and prayed. When the first cutlass went into the tree, instead of the normal tree bark, there was blood. The tree fell, and they ran back to their classrooms.

Within ten minutes, the chief priest and his people arrived and ran to the principal: "Who cut the tree?" Nobody answered. The school was assembled: "Who cut the tree?" Nobody answered. The chief priest then said: "Okay, since no one has answered, those who cut this tree will all die within seven days." And they went away in anger. Then they came back later, performed some rituals, and re-issued the same curse.

But these Scripture Union students gathered at a night vigil and prayed: "Any power assigned to waste me, I stop you before you stop me. And I send divine wasters to waste you." That was the prayer they prayed. They went back to the dormitory and slept.

In the morning, there was a cry in the village. All those priests did not wake up — not one, without exception. The wasters had visited them at night and wasted them.

## Weapon Five: Divine Fishers and Hunters

Weapon five is found in Jeremiah 16:16–18. This is another interesting weapon against the wicked that we fail to use.

***"Behold, I will send for many fishers, saith the LORD, and they shall fish them; and after will I send for many hunters, and they shall hunt them from every mountain, and from every hill, and out of the holes of the rocks. For mine eyes are upon all their ways: they are not hid from my face, neither is their iniquity hid from mine eyes. And first I will recompense their iniquity and their sin double; because they have defiled my land, they have filled mine inheritance with the carcasses of their detestable and abominable things."***

There is a weapon beloved, called divine fishers and hunters. They hunt out hiding demons. No matter how secret or how hidden the caves and holes are, the fishers and hunters will hunt them down and fish them out.

A person studying for a PhD had a weird dream and suddenly packed his things without finishing his course, and travelled back home to Nigeria. It was very annoying because he had only a few months left to finish up his program. The parents asked – *why are you here?* He said he had heard a voice repeatedly asking him to return home.

It was his mother who picked him up from the airport in Lagos. As they were leaving the airport, she heard someone calling - *Mummy, mummy*. She looked back and saw her second child who was also a student abroad, but who had also found his way back home. She broke down and cried and started leading them away.

Because she was crying so much, someone at the airport, a member of Mountain of Fire, said to her, "*Mummy, do not cry. Where do you leave?*" The woman told her – *Ibadan, Nigeria*. The person said, "*You are going to pass by Mountain of Fire Prayer City on your way home. Do not go home. Just take these two boys to Prayer City.*"

Thank God the women listened. This is the prayer point the two sons prayed – and they went back to their schools and completed their courses: "*Divine fishers and divine hunters, comb my place of birth and carry out judgment.*"

There are hidden enemies. That is what the Bible talks about secret things

When you have secret enemies who are hiding because they do not want you to know who they are, send the fishers and the hunters after them.

belonging to the Lord our God. Secret enemies. When you have secret enemies who are hiding because they do not want you to know who they are, send the fishers and the hunters after them.

#### Weapon Six: Pursuing Angels

Weapon six is found in Psalm 78:49: "***He cast upon them the fierceness of his anger, wrath, and indignation, and trouble, By sending evil angels among them.***"

There is a weapon known as evil angels, pursuing angels, or destroying angels. What do they do? They cause trouble for the enemy. They keep the enemy so busy that they will not even know when your promotion is coming. They will not know when you are to deliver that baby. These evil angels bring wrath, indignation, and trouble upon the enemy. They pursue the enemies of children of God. They are the pursuing angels.

This should now make you understand that dangerous prayer of the Psalmist in Psalm 35:6, "***Let their way be dark and slippery, and let the angel of the LORD***

***persecute them.***" These are the angels that carry out that kind of function.

This is where we are stopping for this edition. We shall continue next time with Wicked Powers, Wicked Weapons.

If you are reading this and you are not yet born again, and you want to surrender your life to Jesus, just repeat this prayer out loud: *"Father, in the name of Jesus, I come before you now. Lord Jesus, come into my life. Take control of my life. In Jesus' name. Amen."* If you said this short prayer, please reach out to us for further prayers and counselling using the contact details on the last page of this publication.
