

## AMERICAN CHEMICAL SOCIETY INTERNATIONAL ACTIVITIES

**Ellene Tratras Contis**

Professor of Chemistry & CSIE Director  
Eastern Michigan University  
Ypsilanti, MI 48197  
[econtis@emich.edu](mailto:econtis@emich.edu)

Ellene Tratras Contis' work goes beyond the lab where her research focuses on short-lived fission products of  $^{235}\text{U}$  and trace elements in food. She also works in areas of electronic technology in chemical education, women in science and the promotion and globalization of science with emphasis on chemistry.

Professor Contis was recently Chair of American Chemical Society's International Activities Committee. She has facilitated global collaborations, events and projects in or with Thailand, Mexico, Peru, Brazil, Australia, Pakistan and China.

She is recipient of the Distinguished Faculty Award for Teaching, the Josephine Nevins Keal Fellowship Awards, the Michigan Association of Governing Boards' Distinguished Faculty award and a Fulbright Specialist Scholar grant. She has published many articles and has presented her work nationally and internationally. She also has held numerous administrative positions including Associate Vice President for Academic Affairs at Eastern Michigan University.
