

Black Hills Boxers

Waitlist Agreement

All of our boxers are considered valued family members and they are treated as such. They are raised in our home where they are spoiled and loved.

We take great pride in our puppies.

All of our puppies are AKC registerable.

Our price includes worming, vaccination, pedigree papers, a starter supply of Puppy Food, and 30 days of free puppy insurance.

There is almost always a waiting list for our puppies and they do reserve very quickly.

Due to the overwhelmingly large number of requests we receive we will now require a small deposit to reserve your spot in line for one of our future litters.

This allows us to more accurately determine how long others will be waiting and exactly how many puppies are reserved.

A non-refundable deposit of \$100 will be accepted from five people per litter.

All puppies are considered "available" until a deposit is received and our purchase agreement is signed.

The deposit goes toward the adoption fee..
Payment in full must be received on pickup date of puppy, no exceptions.

If you would like to place a deposit please complete deposit agreement.

The \$100 deposit can be paid with check by mail or we can invoice you.

We advise those people who do not wish to be on our wait-list to keep an eye on our Facebook page and if you see something available that you are interested in to please contact us at that time.
