Wonderful townhouse living. Many updates and improvments.

Vaulted ceilings in the living and dining rooms and corner fireplace in living room. The basement features finished living area used as a family room or additional bedroom with full egress windows. Basement also offers plenty of storage and 2 utility rooms in basement. The loft area on the second floor overlooks the dining and living area. Sliding doors from the dining area to an open deck offer access to the private back yard. Wooded area in the rear offers a taste of the "North County Feeling" in lovely Queensbury! Best of both worlds!
