

Privacy & Security Policies

Fun Factory Inc Privacy Policy Statement Fun Factory Inc. (FFI) is committed to protecting the privacy and security of all personal information that we process in order to provide services to our clients.

FFI Clients provide us with significant amounts of personal information and protecting the privacy and security of this personal information is critical to FFI.

FFI has a Privacy Policy that applies to all divisions, departments, and employees. This program helps us ensure that personal information is handled properly. The Privacy Policy governs personal information collected by FFI for its own purposes as well as information provided to us as a data processor for our customers. It concerns the protection of information collected online as well as offline.

FFI will always protect the privacy and security of this personal information, regardless of where it is processed.

FFI will always protect the privacy and security of this personal information, regardless of where it is processed. FFI is also committed to transparency. We want everyone to understand how we collect and use personal information so they can interact with FFI with confidence. If you have any other questions, please contact the Privacy Office at privacyoffice@funfactoryinc.com.

v. 12-16-2020

When you submit sensitive payment information via the FFI online payments website, your information is protected both online and offline. Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted in a secure way. We use industry standard PCI compliance online payment service provider and among the best software available today for secure commerce transactions. It is designed to encrypt all of your personal information, including credit card number, name, and address, so that it cannot be read over the internet. In addition, we do not store or decrypt any credit sensitive information anywhere in the FFI proprietary environment. Such information is transmitted in encrypted form directly to our credit card processor. Our personnel are not permitted under any circumstances to store or communicate your credit card account information outside the necessary and secure payment environment.

If you have any other questions, please contact the Privacy & Security Office at privacyoffice@funfactorygames.com.
