I understand the Clearwater SWCD does not guarantee survival, size, or replacement of tree stock. I understand pack species may be changed due to nursery availability. I understand that trees are not for resale purposes. I understand trees are first come, first served. Due to the perishable nature of the stock, the Clearwater SWCD will not be responsible for the condition of trees after pick up or if picked up after the scheduled dates. It is not the intent of the SWCD to compete with private nurseries.
